The Farmer

1973

Mrs. Carol Stanley

Mrs. Stanley- Im proud to be the first to sign your little annual. This is so sad and so exciting. you have been fun this year. I can't really believe that youre a teacher sometimes. Some day you are gonna look up from your Mod. Comp. and SEE me truckin' in. You have been my favorite teacher this year for sure. You are an inspiration to my future. For some reason, Ive been a little afraid of growing up, but to SEE the way you are, (far out & sensational) makes me know that it ain't so bad!

Srs. '73 Love,
Tracy

P.S. You sure have made me happy.

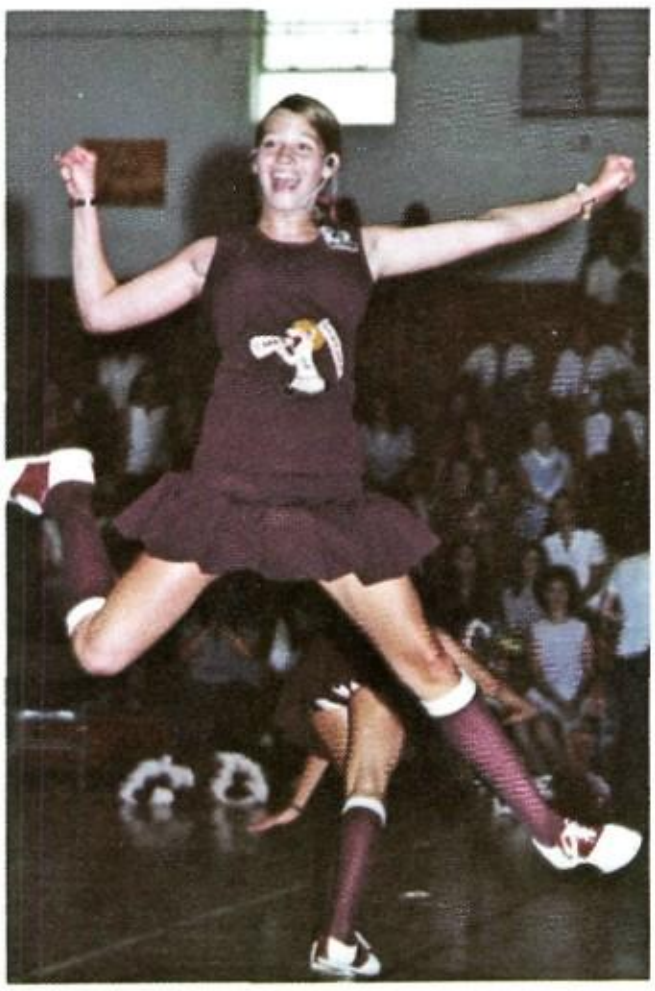
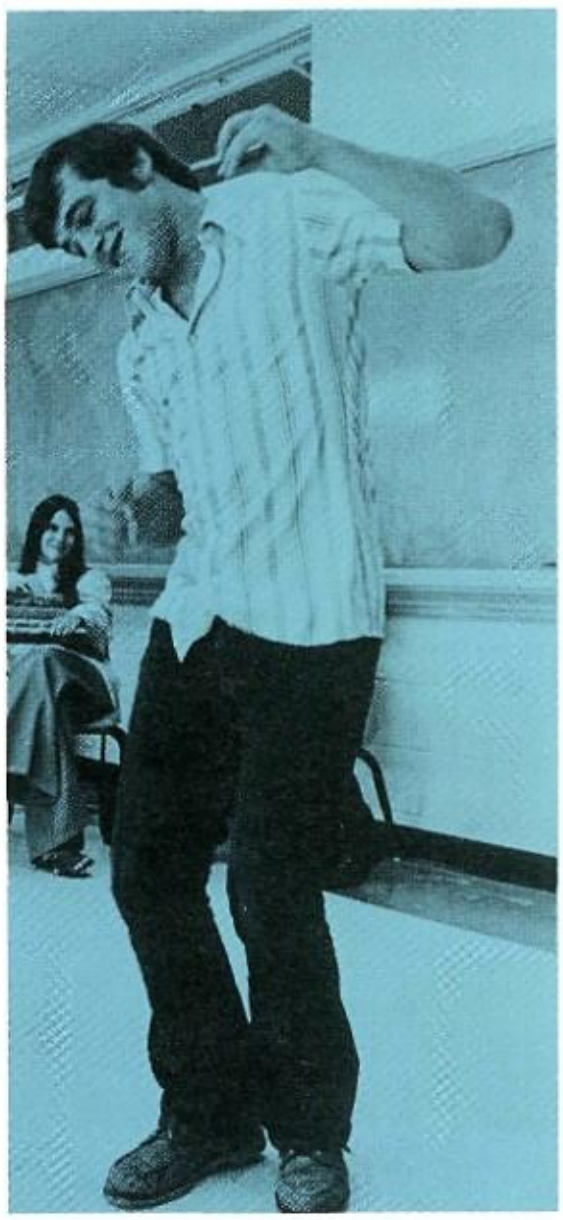
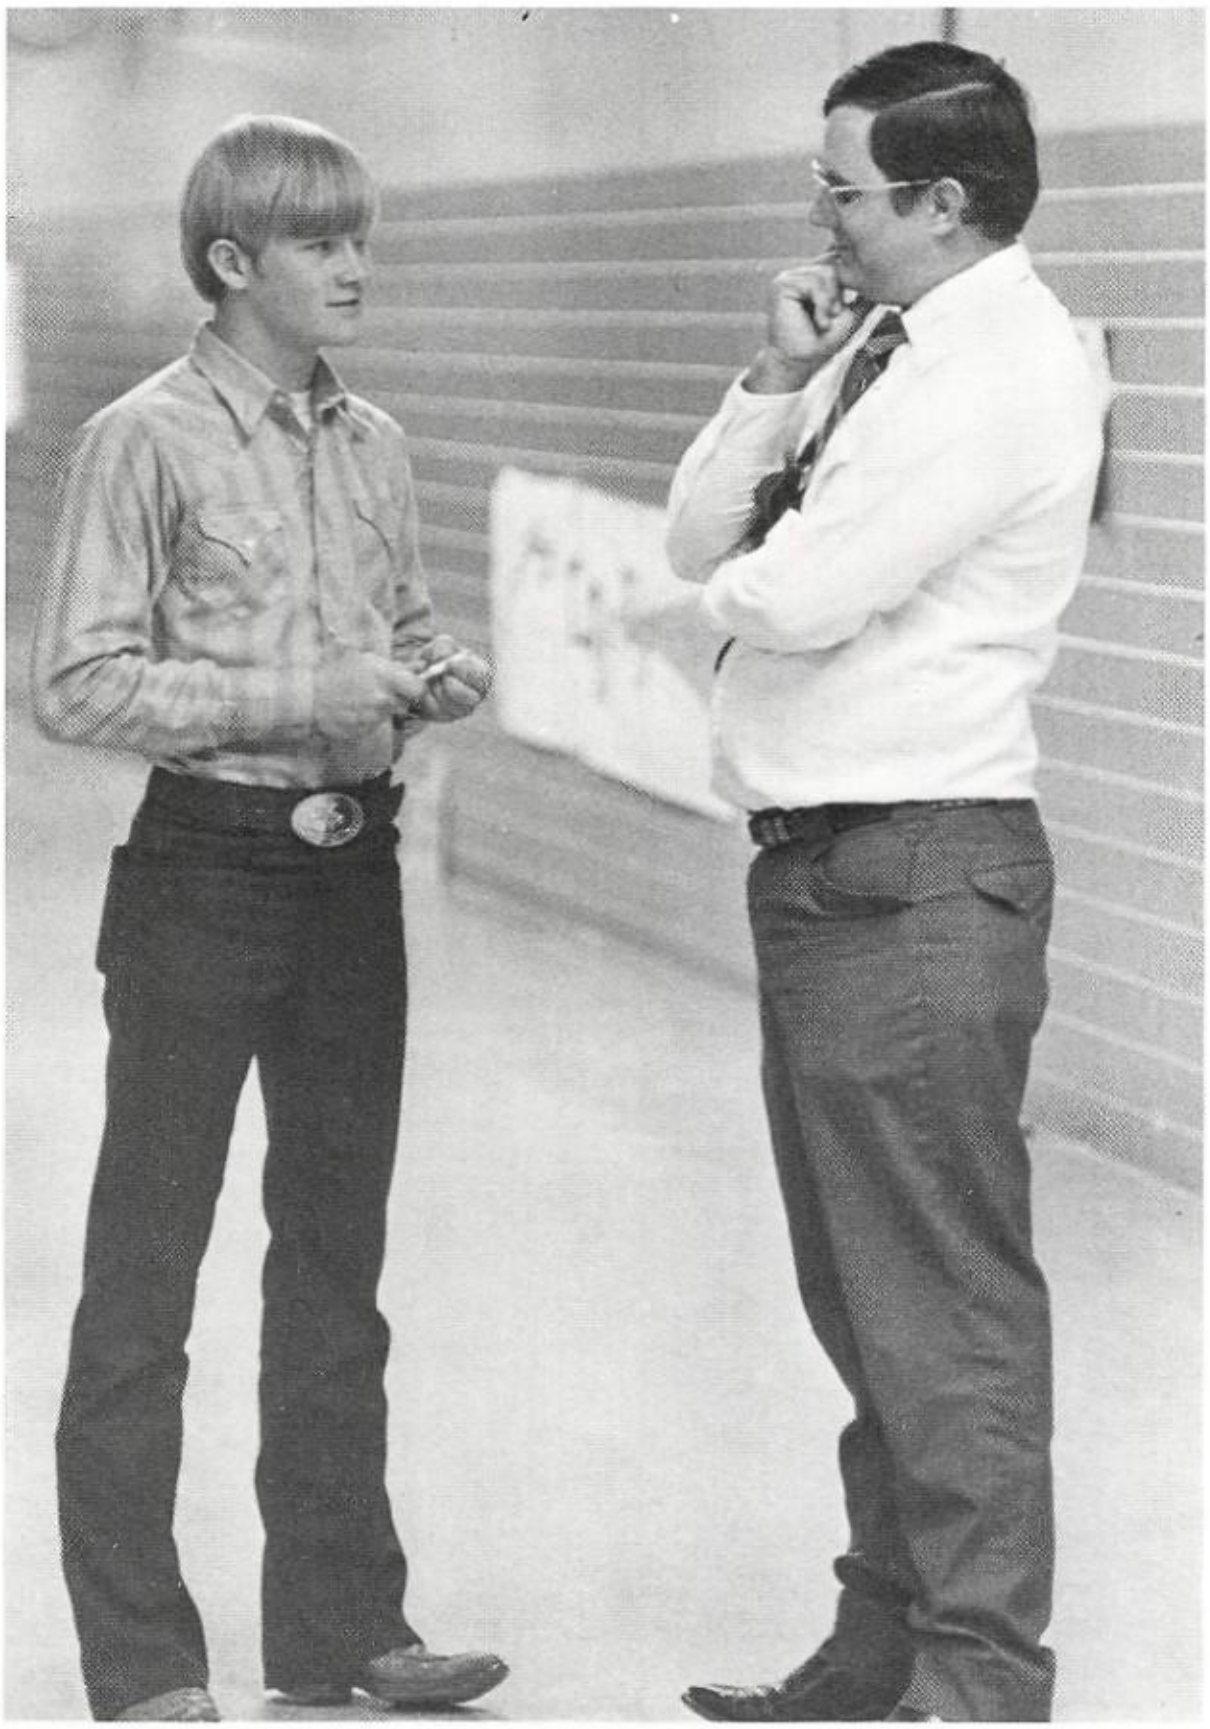
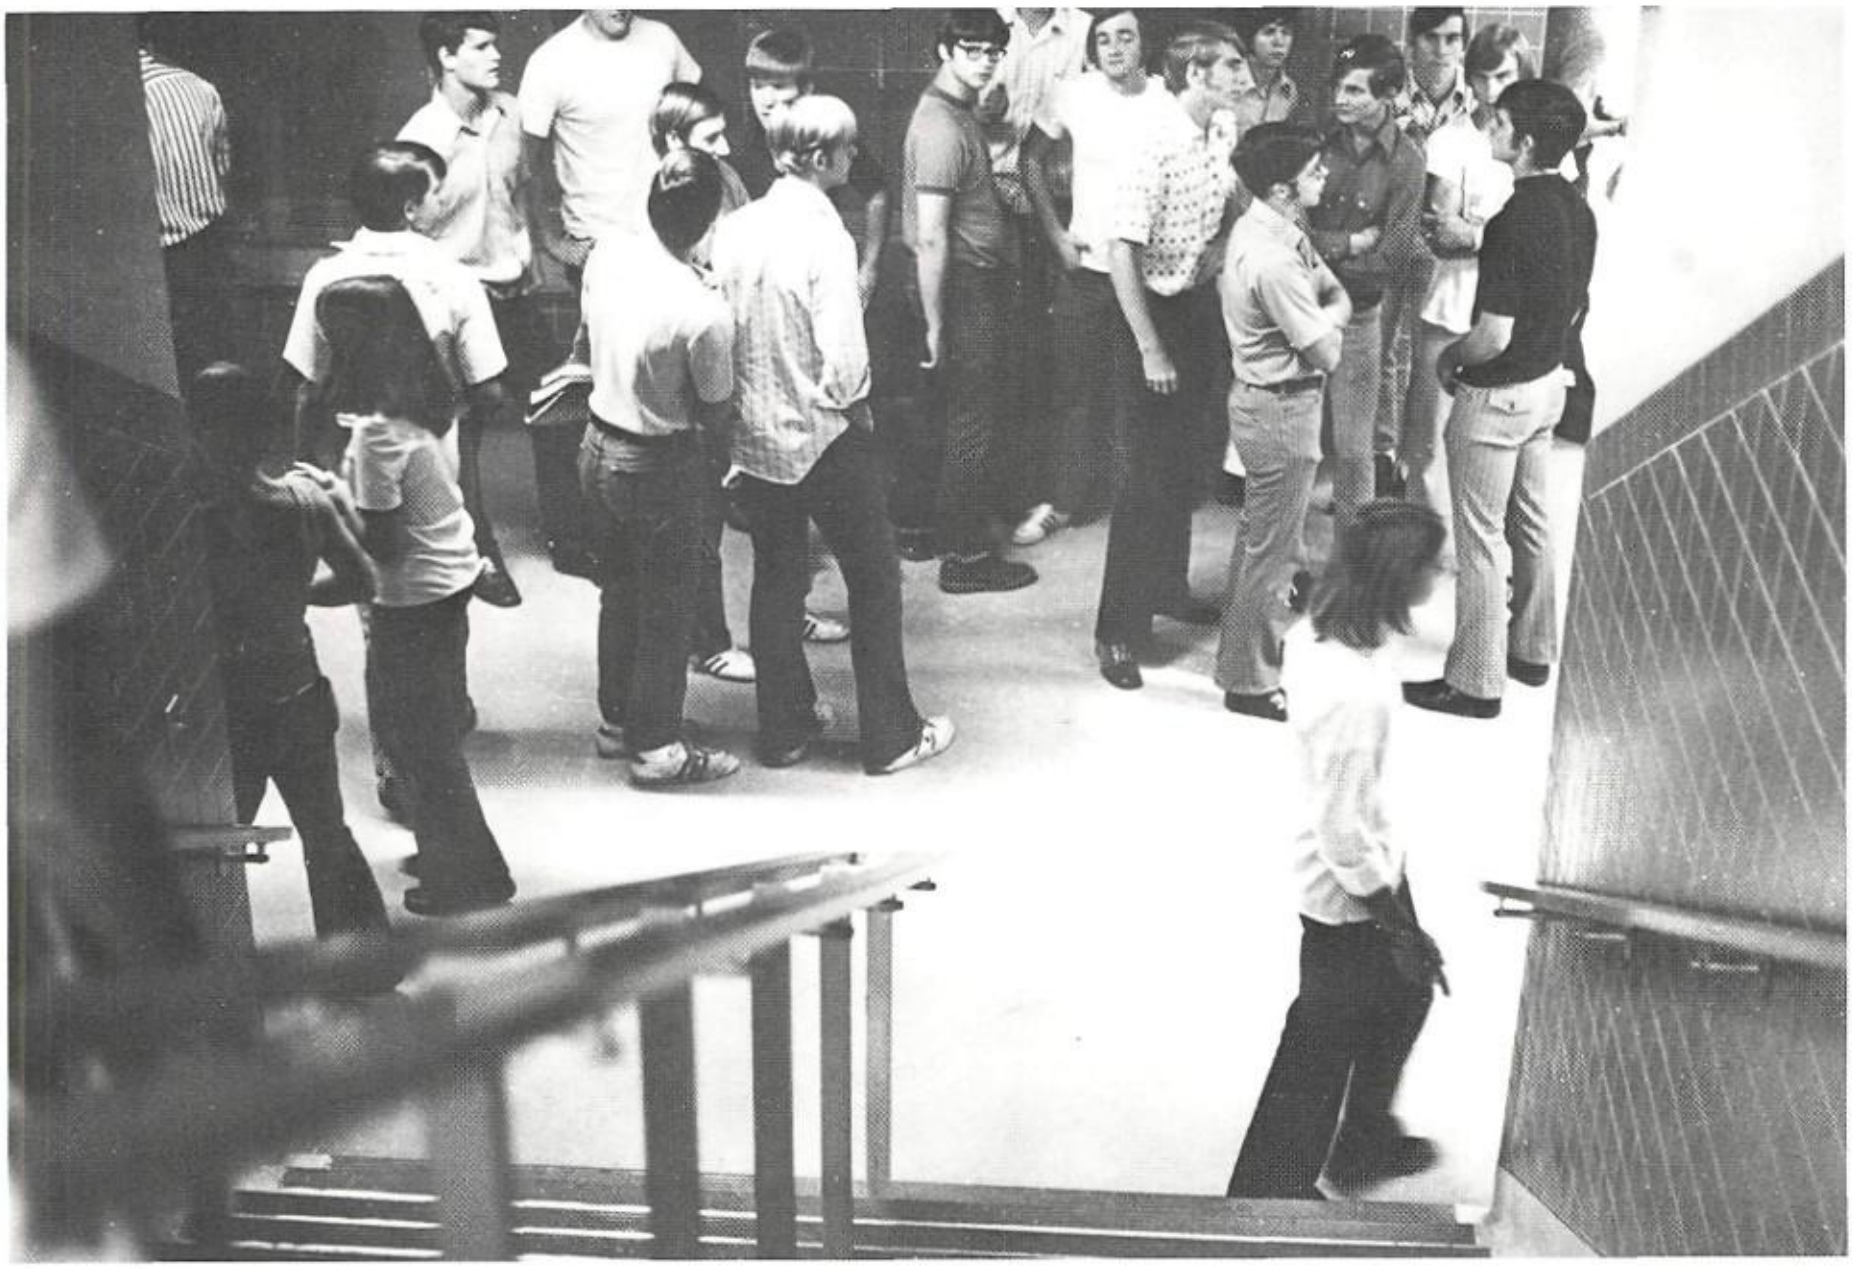
this year.



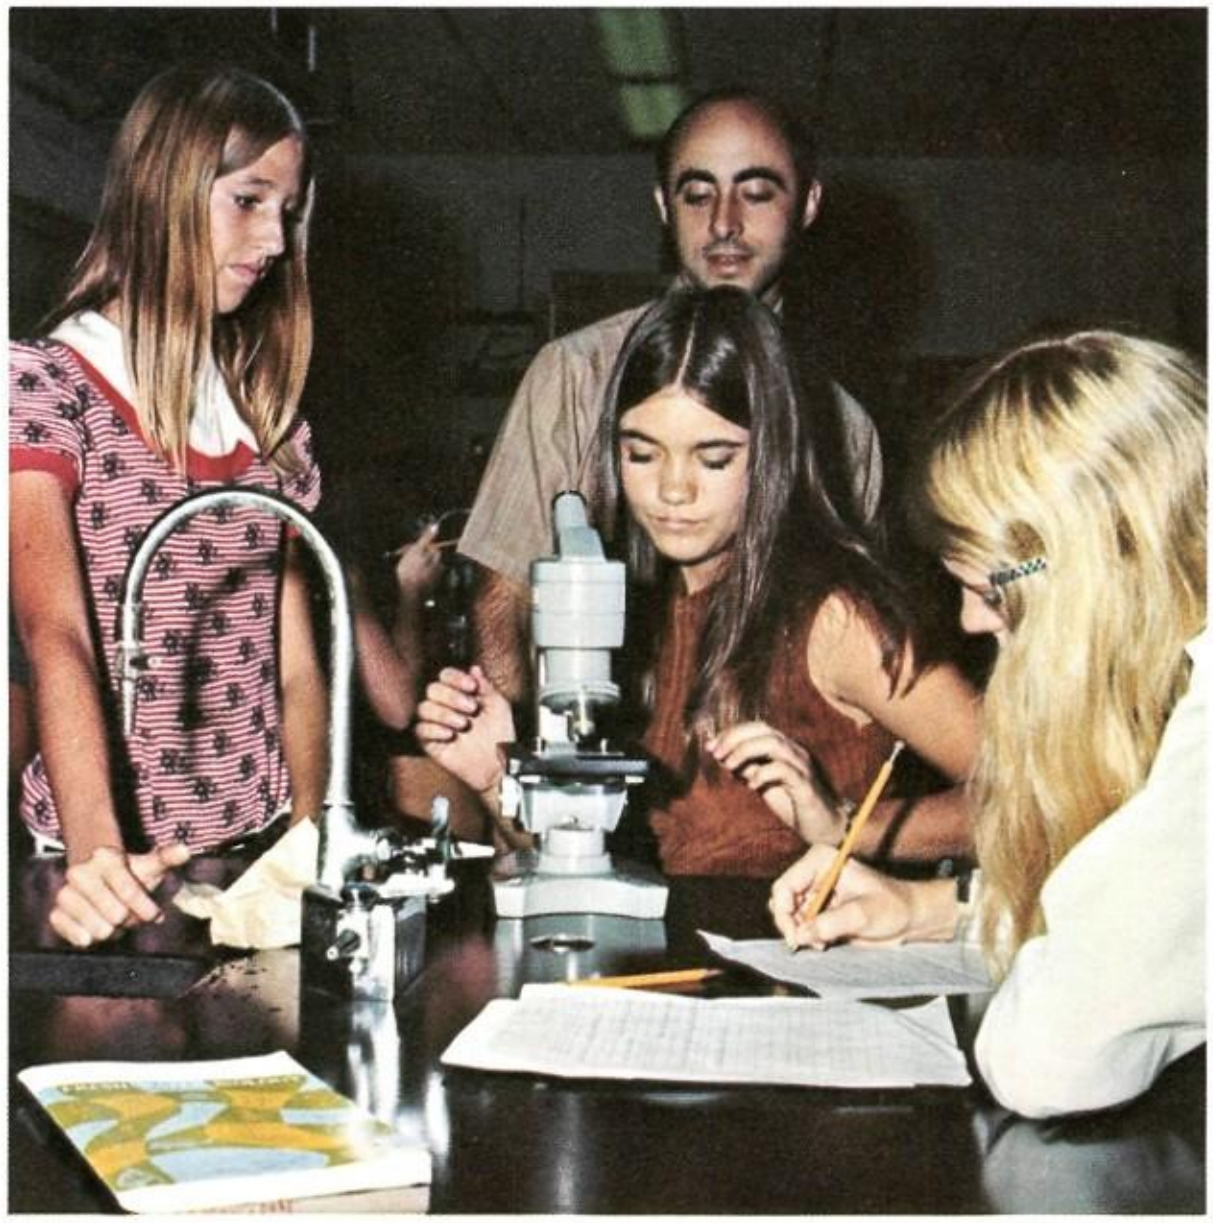
Old students, new students, beginning again. Jumping at the thought of finally having a winning football season. Making the most of the "have to" things, while always keeping in mind that last day.

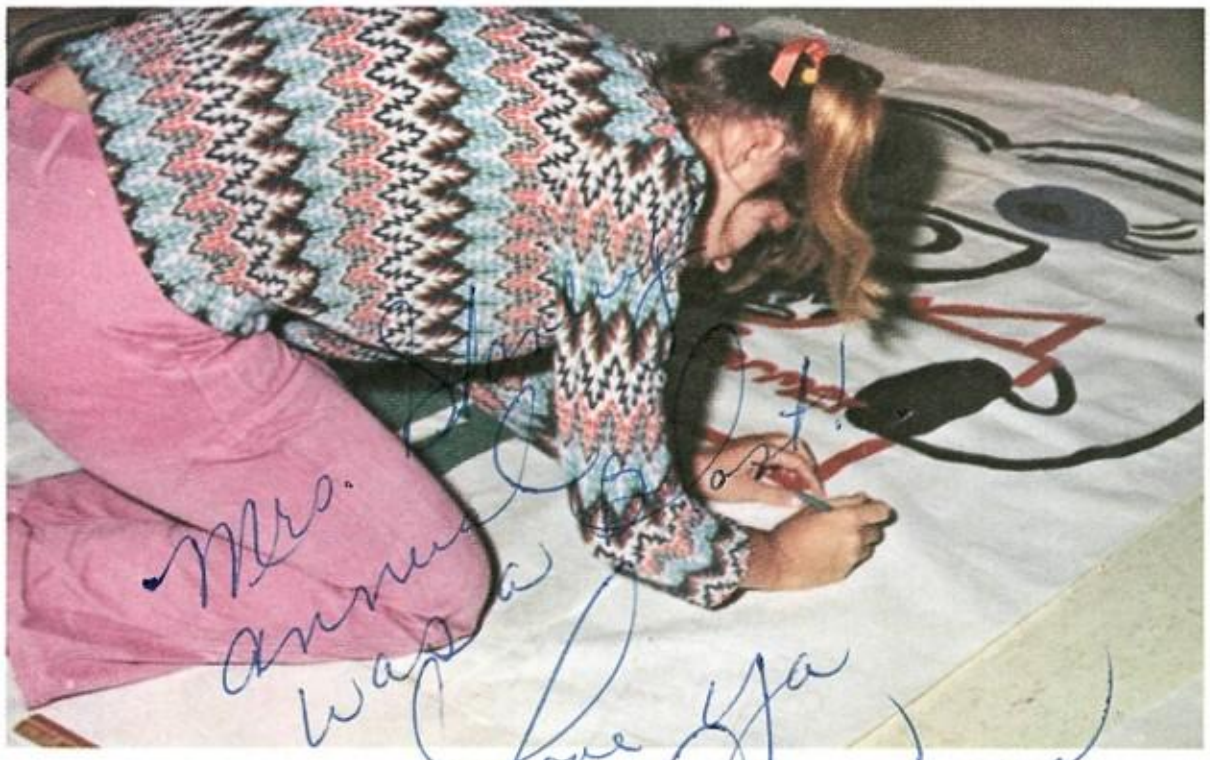


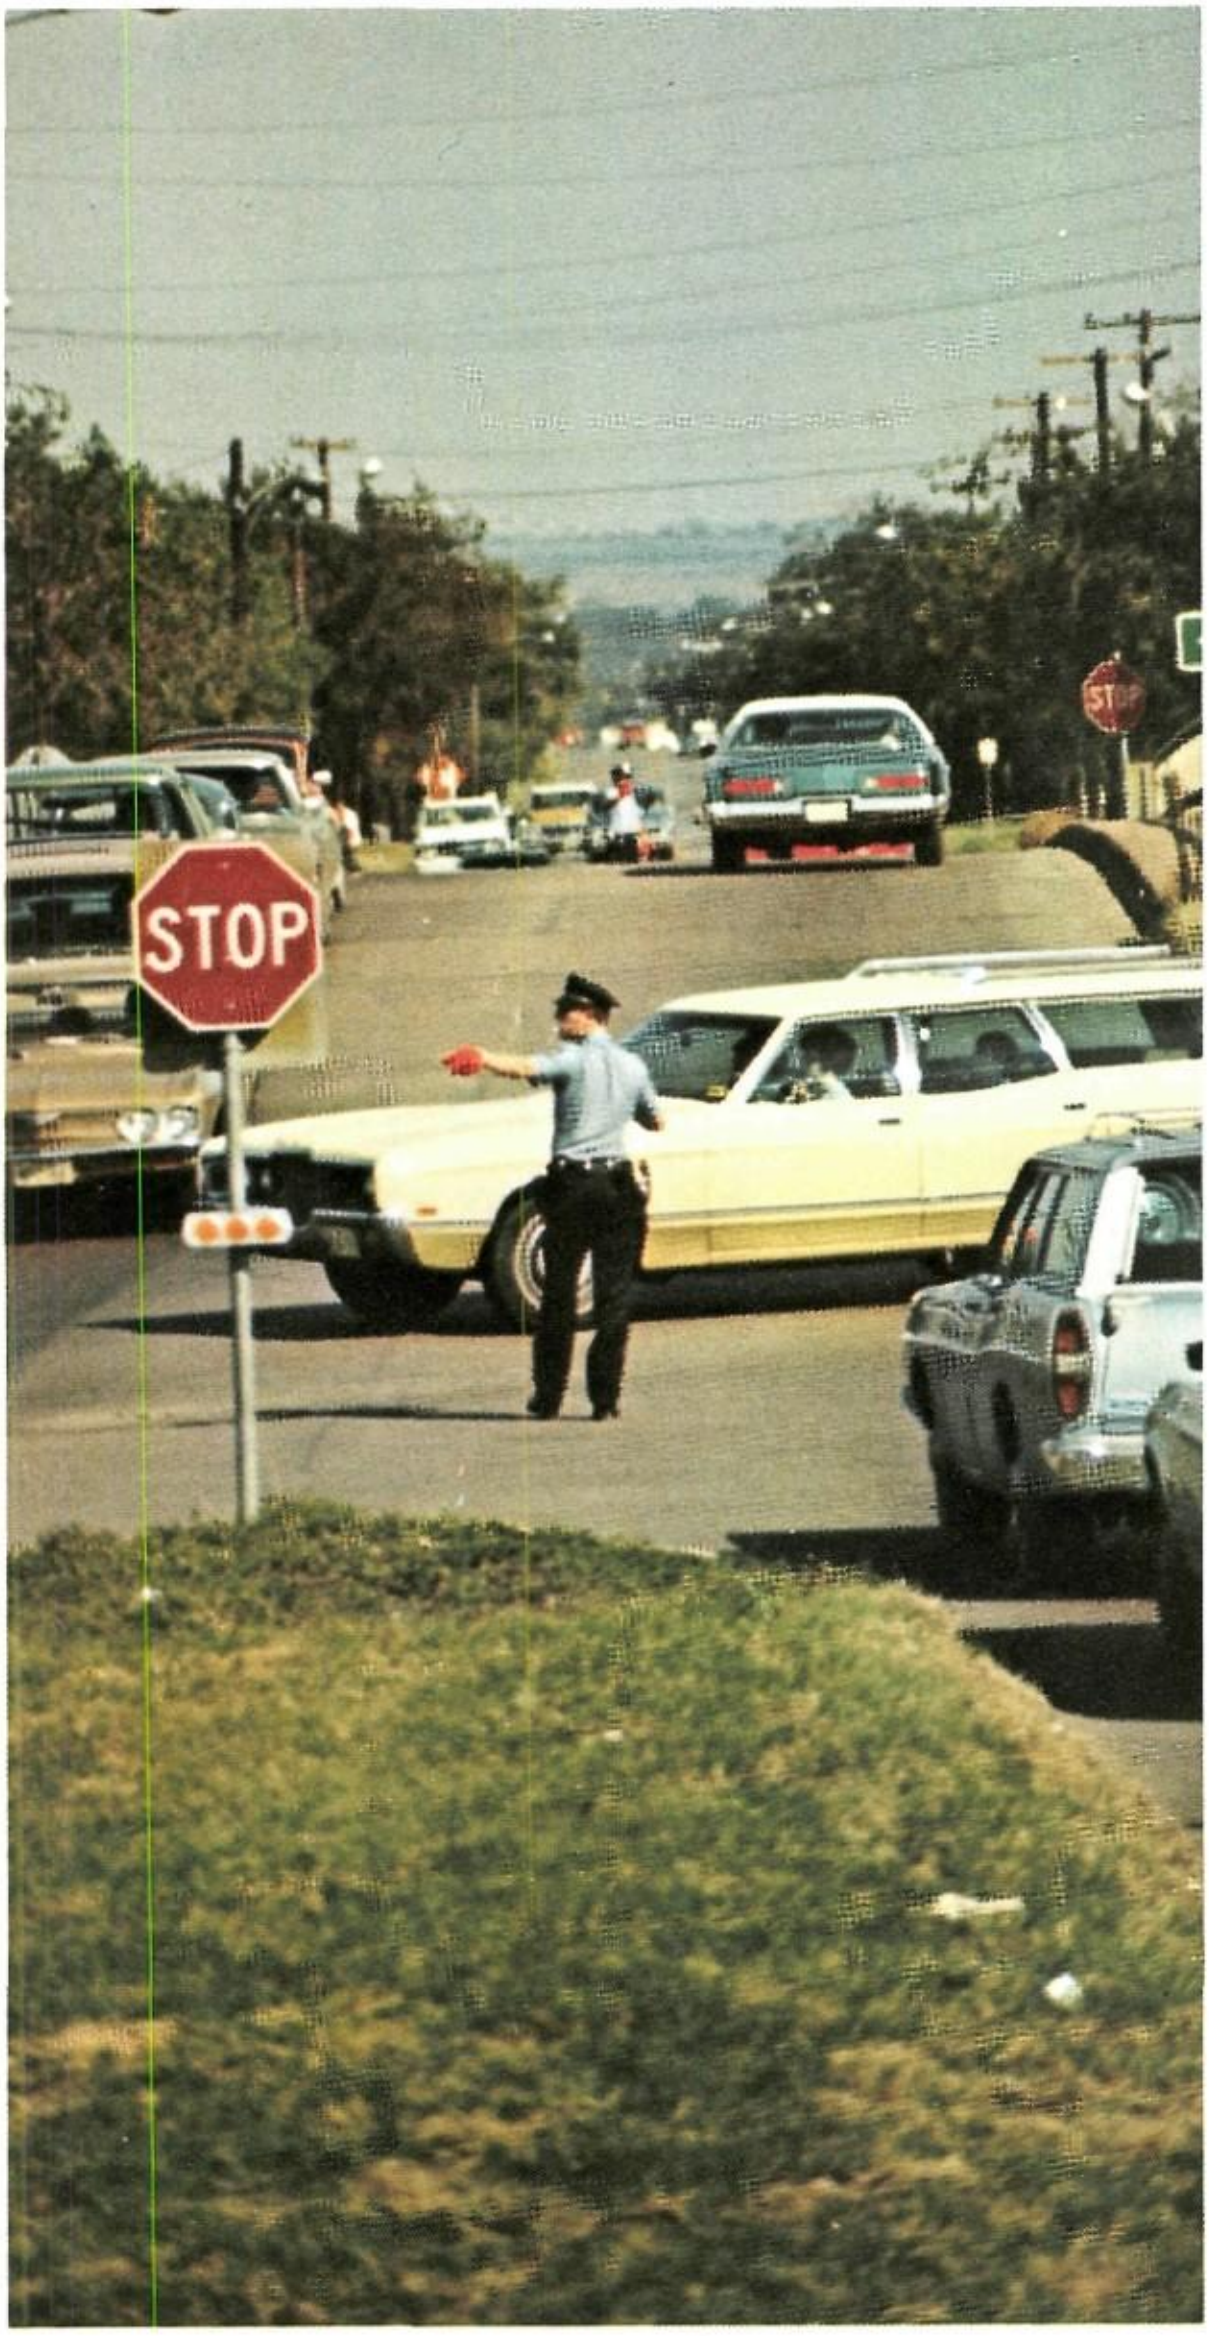




After getting your schedule straightened out at last, things do fall into place. Risking life and limb in the Wednesday stampede for a hamburger and getting caught in the hall without a pass are just a few of the everyday hassles; but sneaking those donuts into class makes up for them. And who knows? Maybe by the end of the year the Freshman girls will realize why the boys stand at the bottom of the stairs.







The start of each day, like the start of the year, begins in one big traffic jam. Once back into the routine, however, less attention is paid to studies and thoughts turn to other special events.

Big John greets fans with homecoming victory

Homecoming didn't seem like homecoming for awhile. Besides not having a bonfire, Friday was a scorcher, topped by a rainy parade. But the wind blew the Farmers' way and brought not only cold weather, but a 48-15 victory over Burleson. And Skeeter Proctor didn't seem to mind the chilled September wind as she was crowned 1972-73 homecoming queen.

Celebrating the night of the Great Pumpkin

While the younger set was busy ripping off treats from neighbors, the "big kids" stirred up their own fun with visions of both tricks and treats. Between a well aimed egg or two, there was time for socials, parties, jack-o-lanterns and black cats. Even the teachers took on new faces as a goblin in spirit came to town.

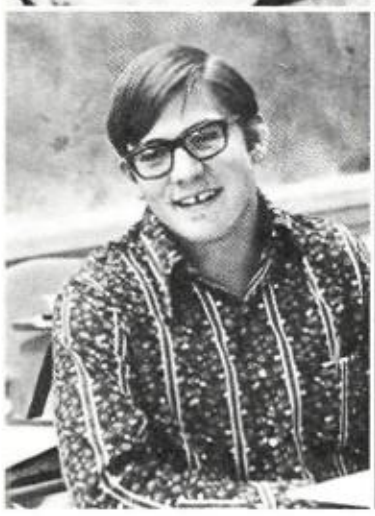
Election Year '72



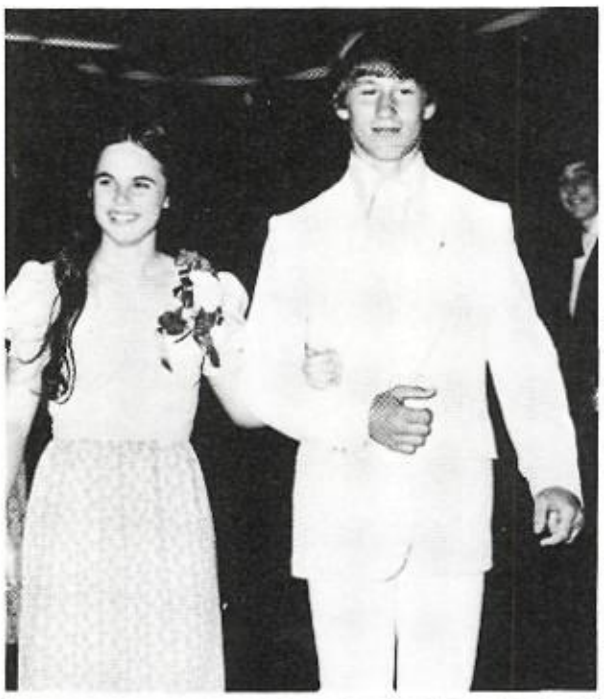
Decisions, decisions. Elections took on a new meaning in 1972 as 18 year-olds could vote for the first time in nationwide, as well as school elections. When the votes were tallied, LHS ended up with Nixon for 4 more and new blood in the student council. All the winners took their own stand, with promises of anything from a juke box in the lunchroom to the ending of the Vietnam war. How many were and will be kept, only time will tell.

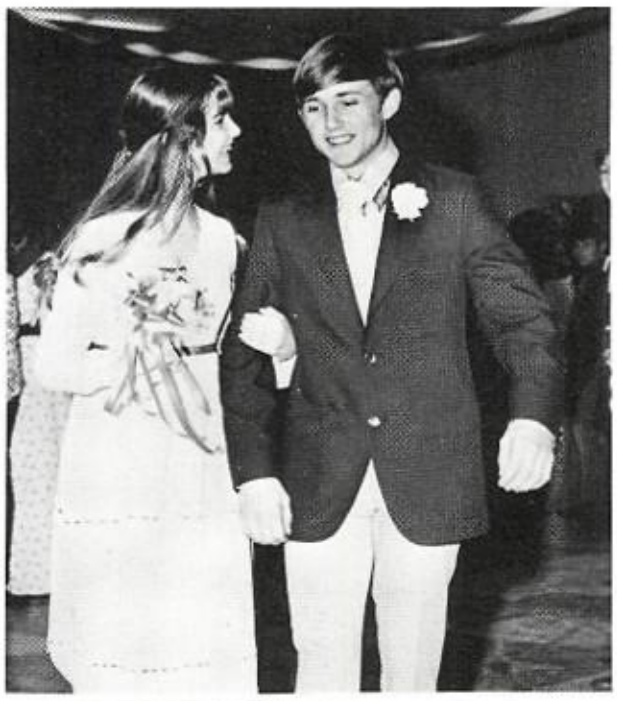
It was beginning to look a lot like Christmas by the time the band and choir held their annual holiday assembly the day before old St. Nick banned school for two weeks. Doors had been decorated, Santa's appeared, and lights were seen 200 miles to Austin when LHS received an early present that went "all the way to state."

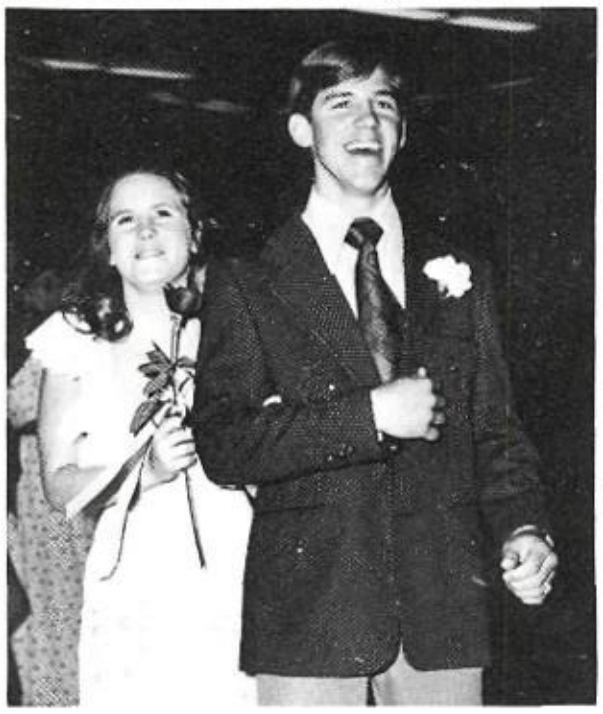
Happy Birthday Jesus

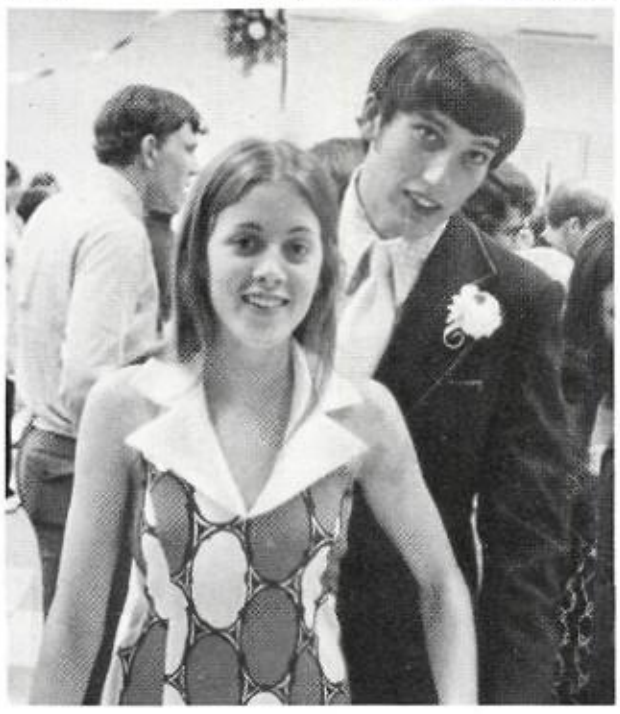
Penny-A-Vote Valentine

Slaves were sold, cakes were baked and the freshmen serenaded their way to the crown. Not breaking tradition, the student council hosted a night of cakes, cops, and couples. Senior nominees Tracy Thompson and Niles Ladehoff (lower right).

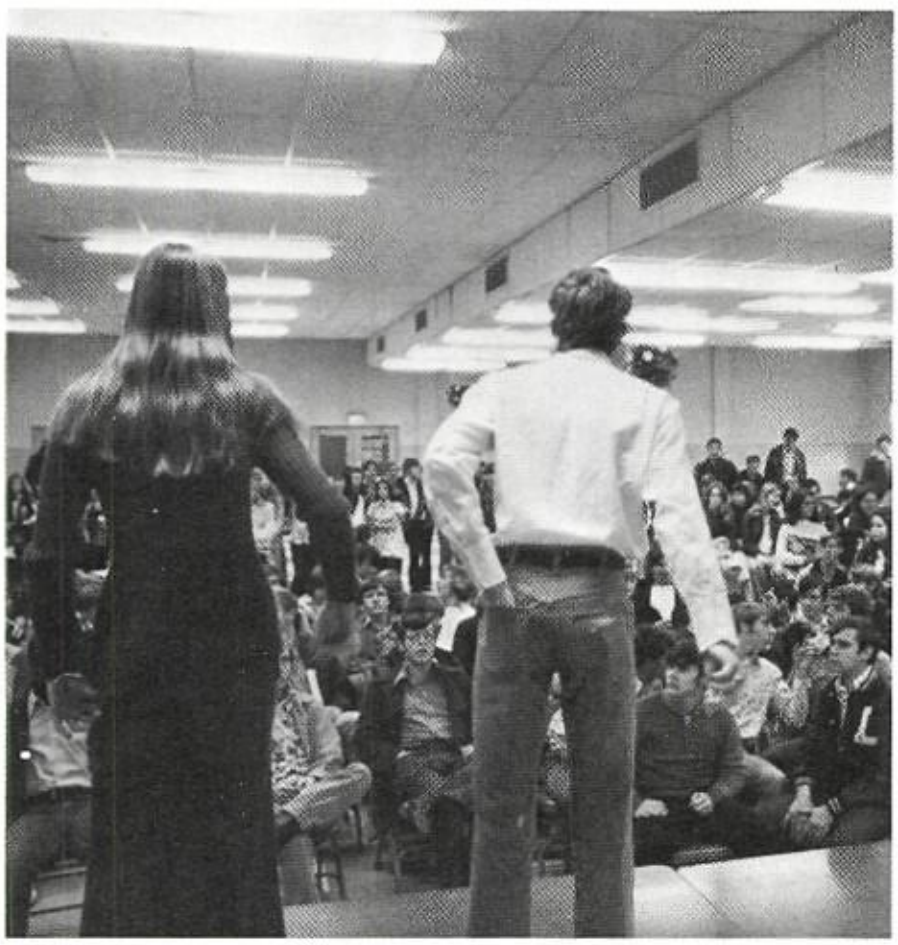




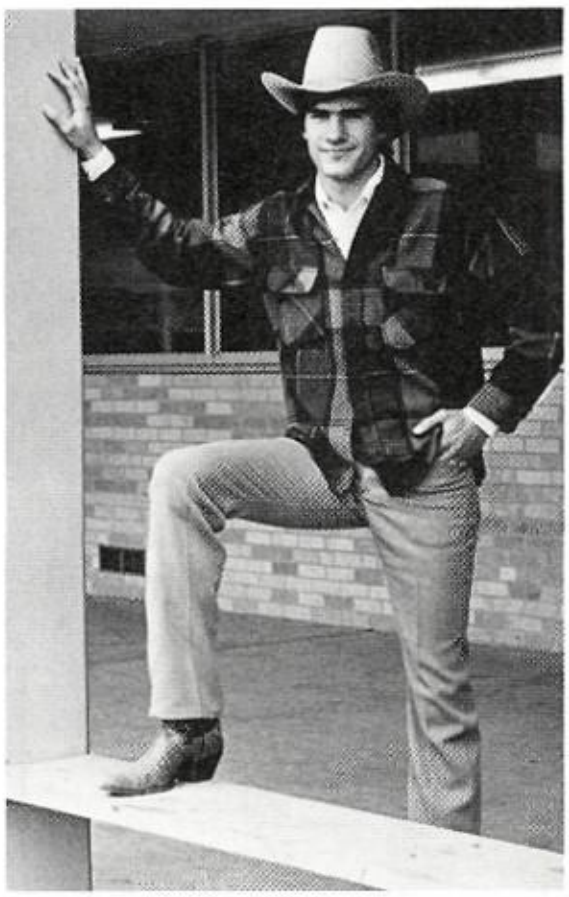




EXIT



Tall kind of people
should get together
with small kind of people
should get together
and talk to each other.



Old kind of people
should try to listen
to young kind of people
should try to listen
and comfort each other.

Light kind of people
should feel compassion
for dark kind of people
should feel compassion
and care for each other.

All kinds of people
should try to reach out
and help one another.

Dedication

To all kinds of people . . . whose paths happened to cross at this particular place in this particular year . . . to those LHS people — all kinds of people — the 1972-73 Farmer is dedicated.

Farmer Staff

Putting together a great yearbook is a mind-expanding experience. The staff gets things rolling when they visit Taylor Publishing Company (top). The sign between Joyce and Helen shows that "care" is what it's all about. Michael Lamb (center right), Farmer sponsor, gives helpful advice when things get rough, while Susan and Debra (lower right), co-editors, find themselves working countless hours with the staff in making the book a success.

A Farmers' Harvest staff member is more than a body carrying a press pass. There's a little hawking on Wednesday (top) and a lot of writing between weekly deadlines (lower right). But after corrections, changes and proofing by editors Carolyn Morriss, Ginger Gibson and Carla Callaway (lower left), the paper is pasted up, printed and ready to go.

In 72-73 some important changes were made in the Student Council. This year's organization was made up of 28 representatives along with the executive officers and class presidents. The Student Council chose people with different ideas and attitudes to serve as representatives so that every student in LHS would have a chance to be heard.

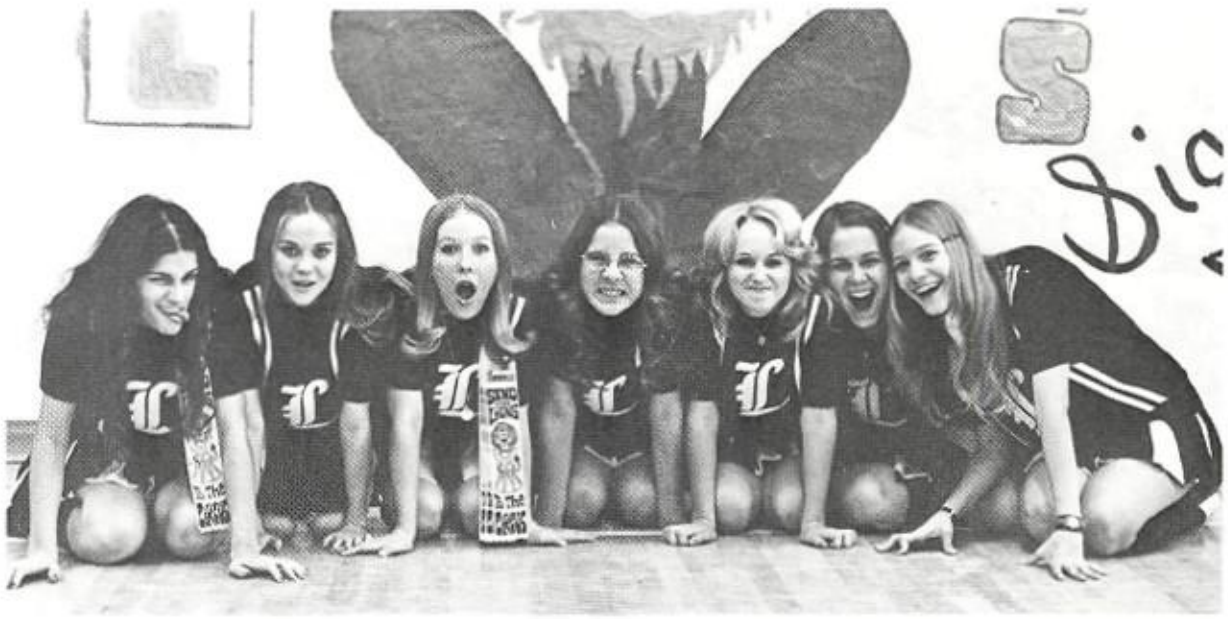
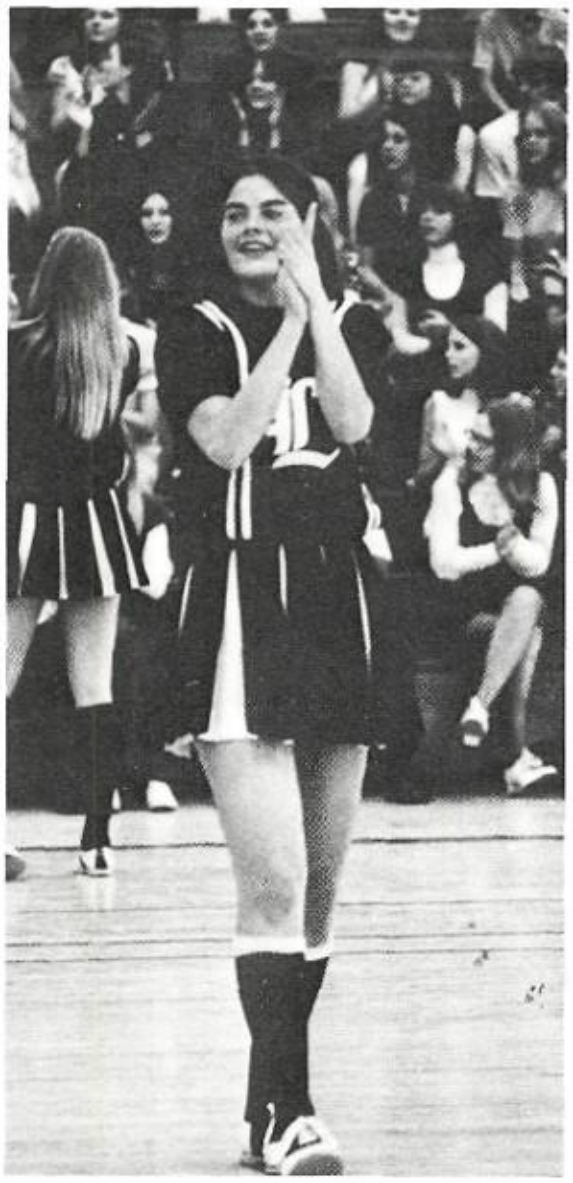
Spirit

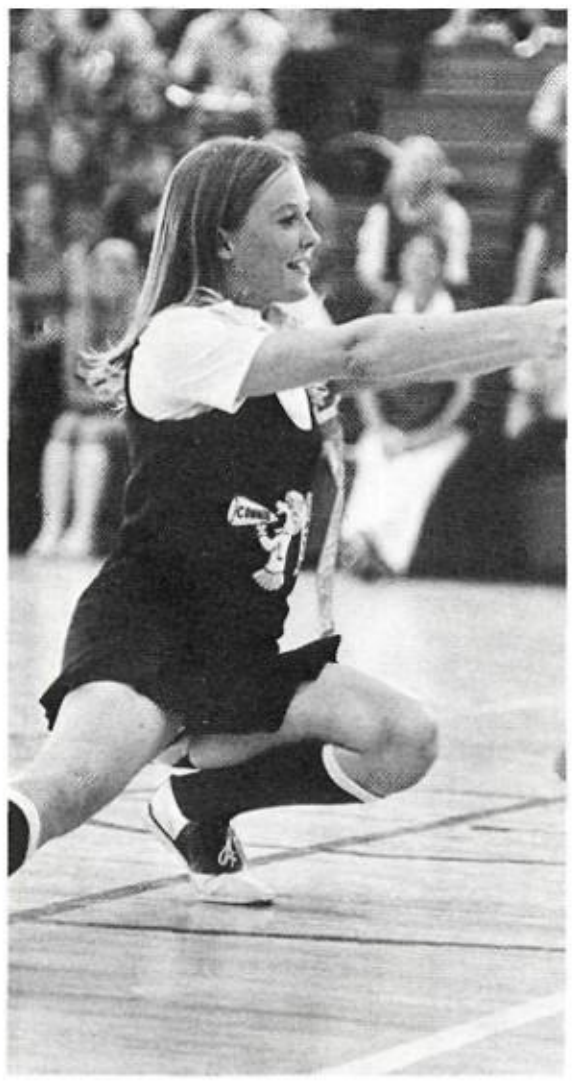
Cheerleaders Add Fuel To Farmer Trucking Power

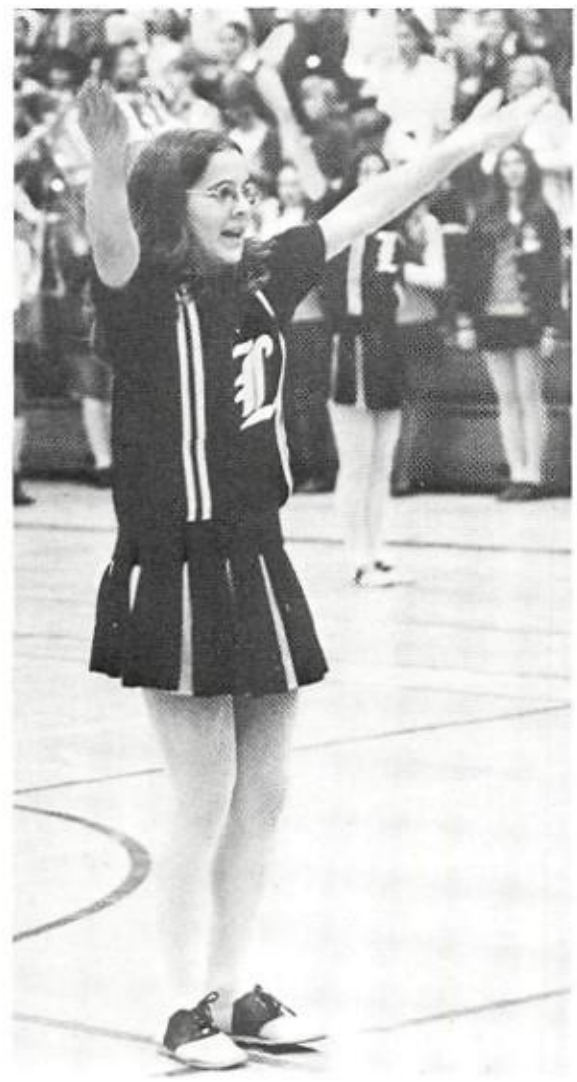
Cheerleaders are a strange mixture of many special ingredients. Take one part worry, add one part pep, a dash of actress, one sprinkle of clown, and a whole lot of spirit, and you just might come out with a reasonable duplicate of one of our gals.





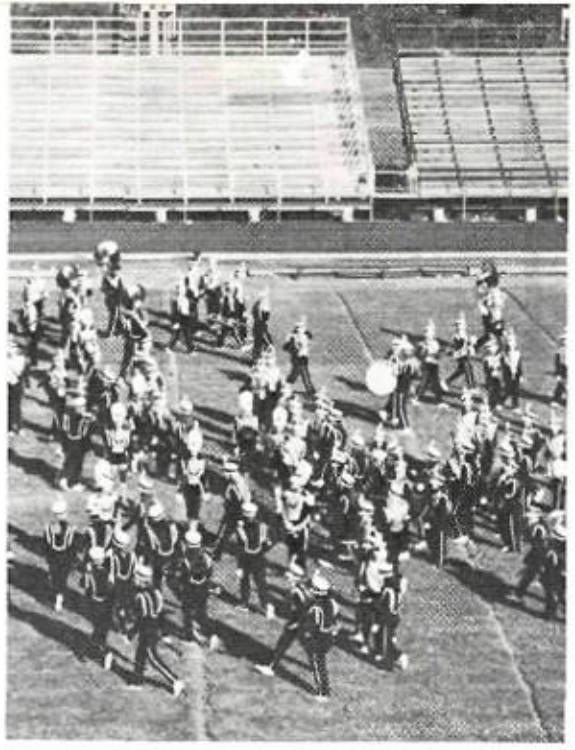
The LHS cheerleaders will go to any height to boost the Farmers "up their ladder." These go-getters plan pep rallies, make signs, decorate and, best of all, work for the number 1 teams! Wanda Dill White (top left), Ronda Keahy (bottom left). Sponsor Paula Duwe (top right).





Pep rallies are important to the yell-leaders no matter where they are. Getting the crowd together is their job. Carrie Bailey (above), Connie Boyd (center), Kathy Stewart (right).

From paint brushes to pom-poms, with winning smiles and enthusiastic gestures, LHS cheerleaders work to pep up that Big John Spirit. Donna Eaves (top left), Garre Brinegar (center), and head cheerleader Cindy Hoff (above).

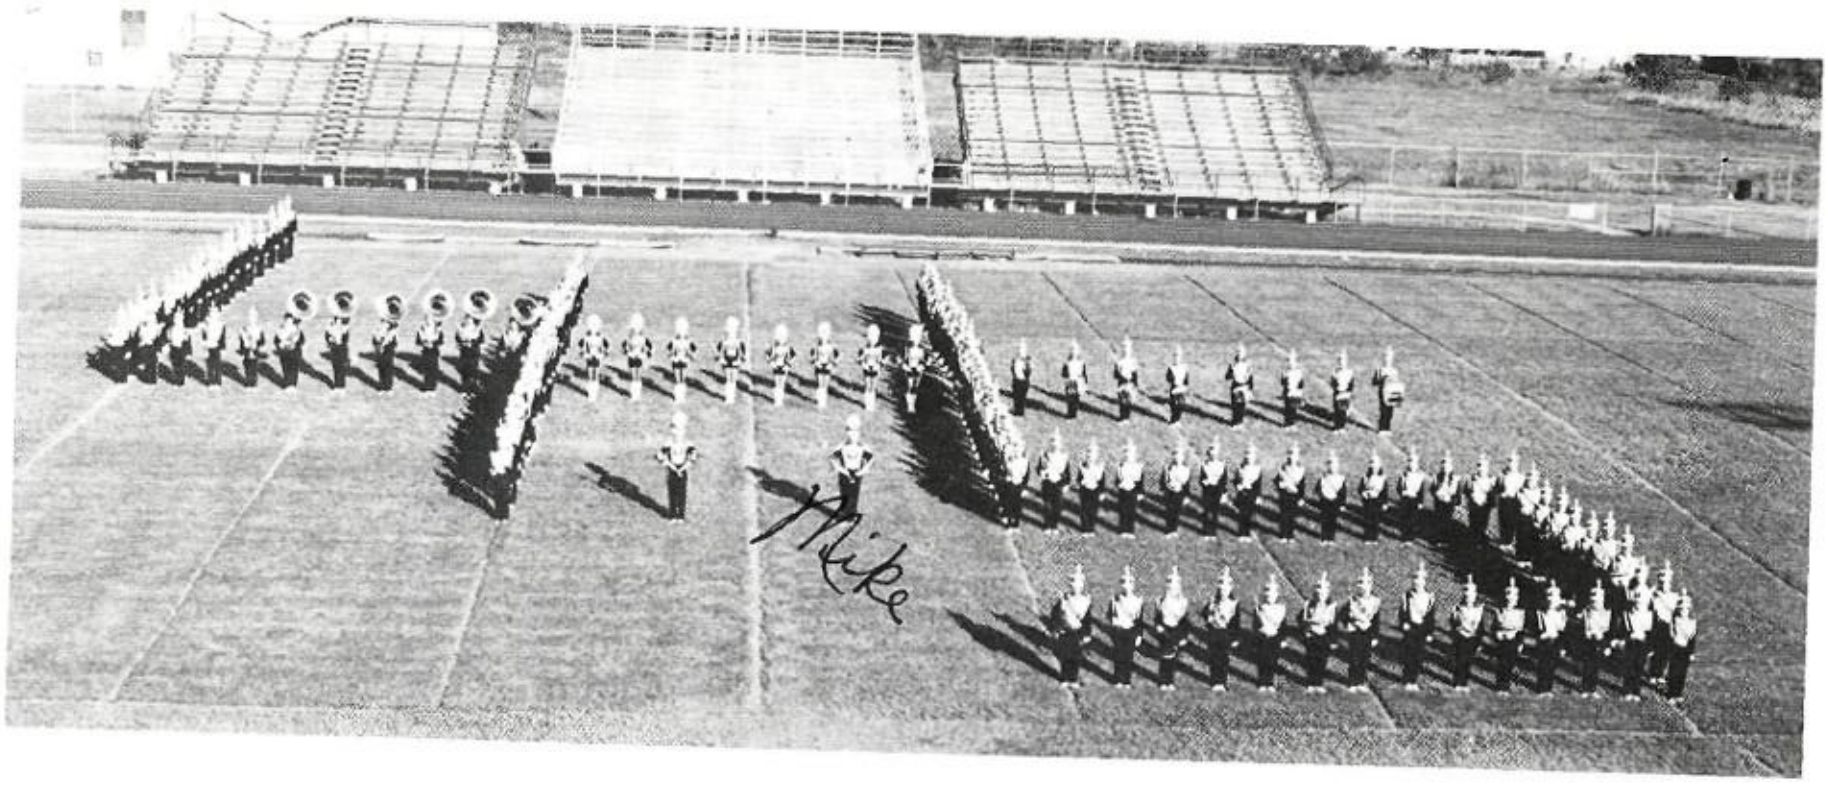


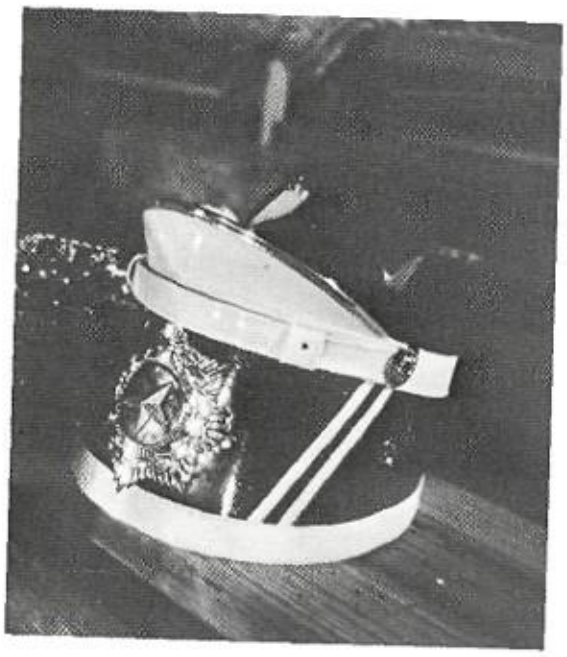
Performing With Pride: The Music Makers Tradition

We are 170 uniformed individuals. Whether it's suffocating in the September heat, marching behind the horses, or performing on a crisp autumn night, the Farmer Band is a unit.

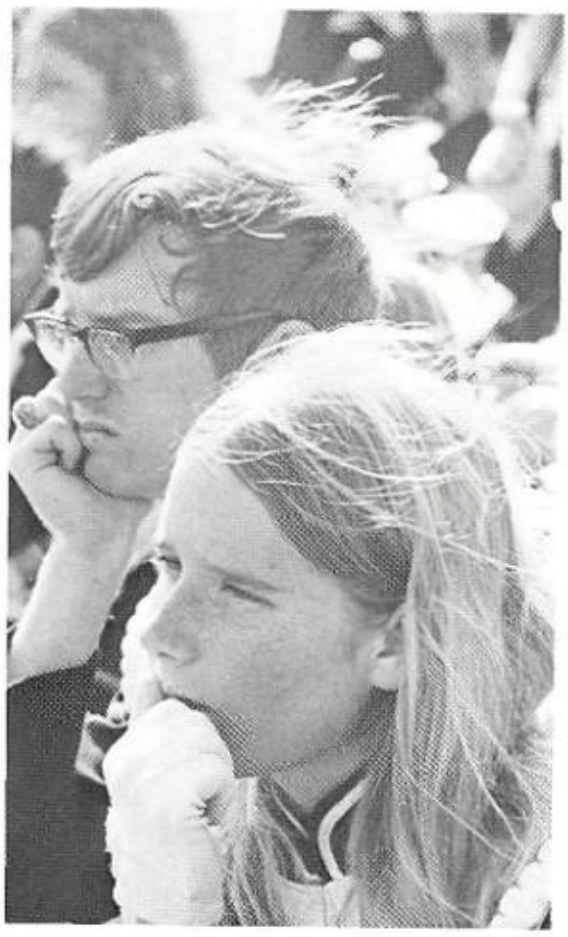
Sure, it was hard to get it all together at times, but by Friday night, "Hostrauser's March" never sounded better. So, after checking our diagonals and getting off with the drum majors' whistles, we once more put the show on the road.

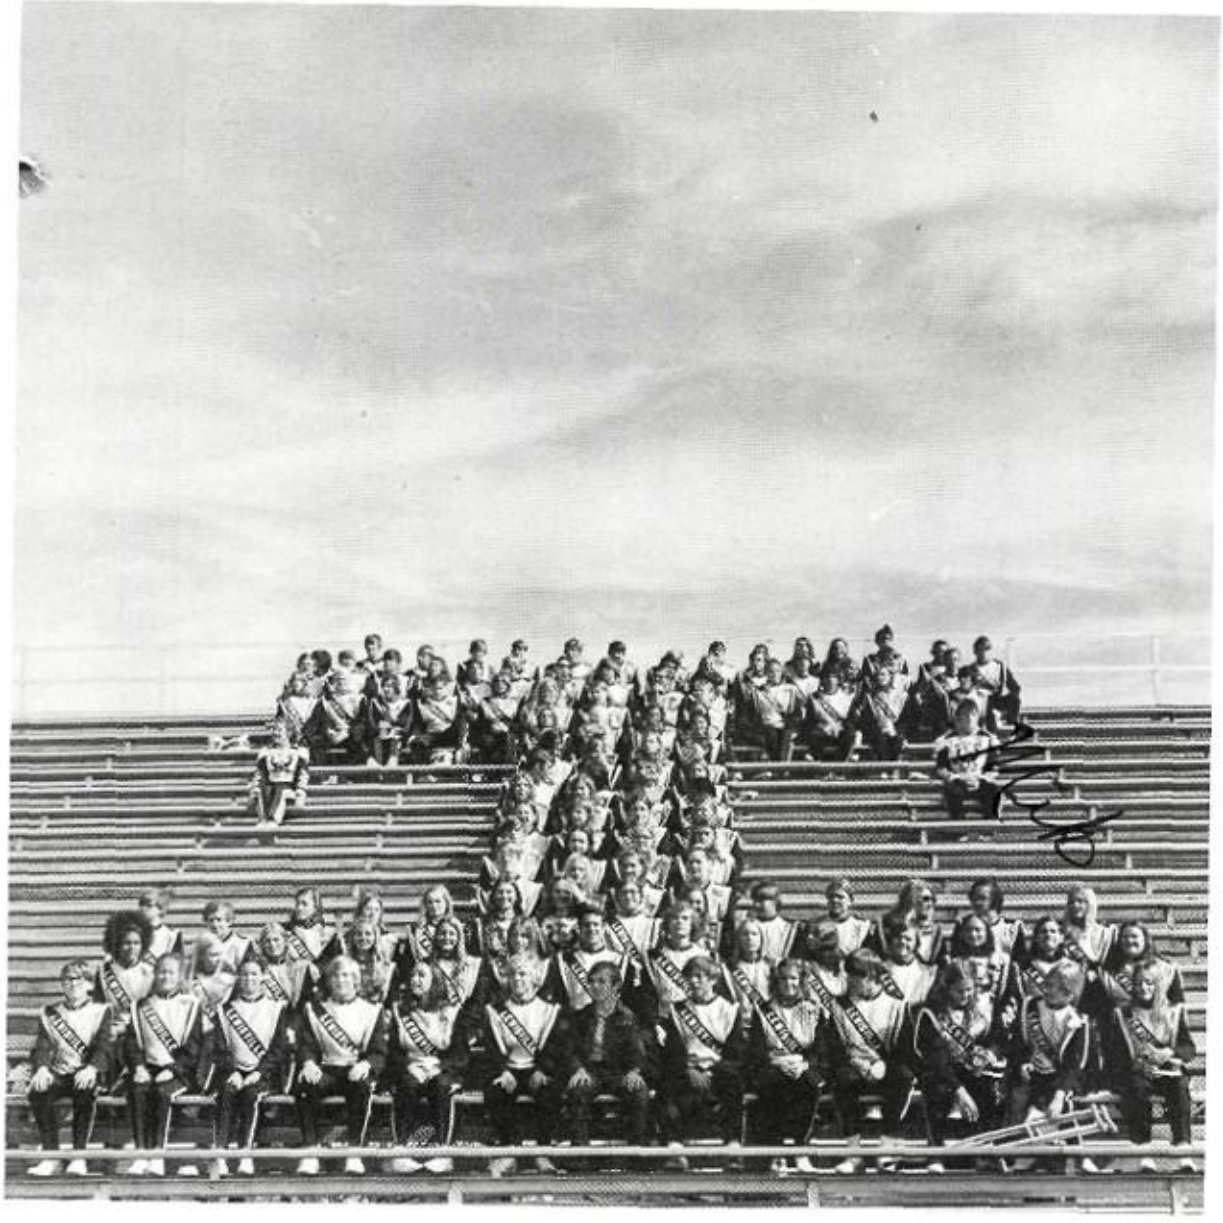
LEW

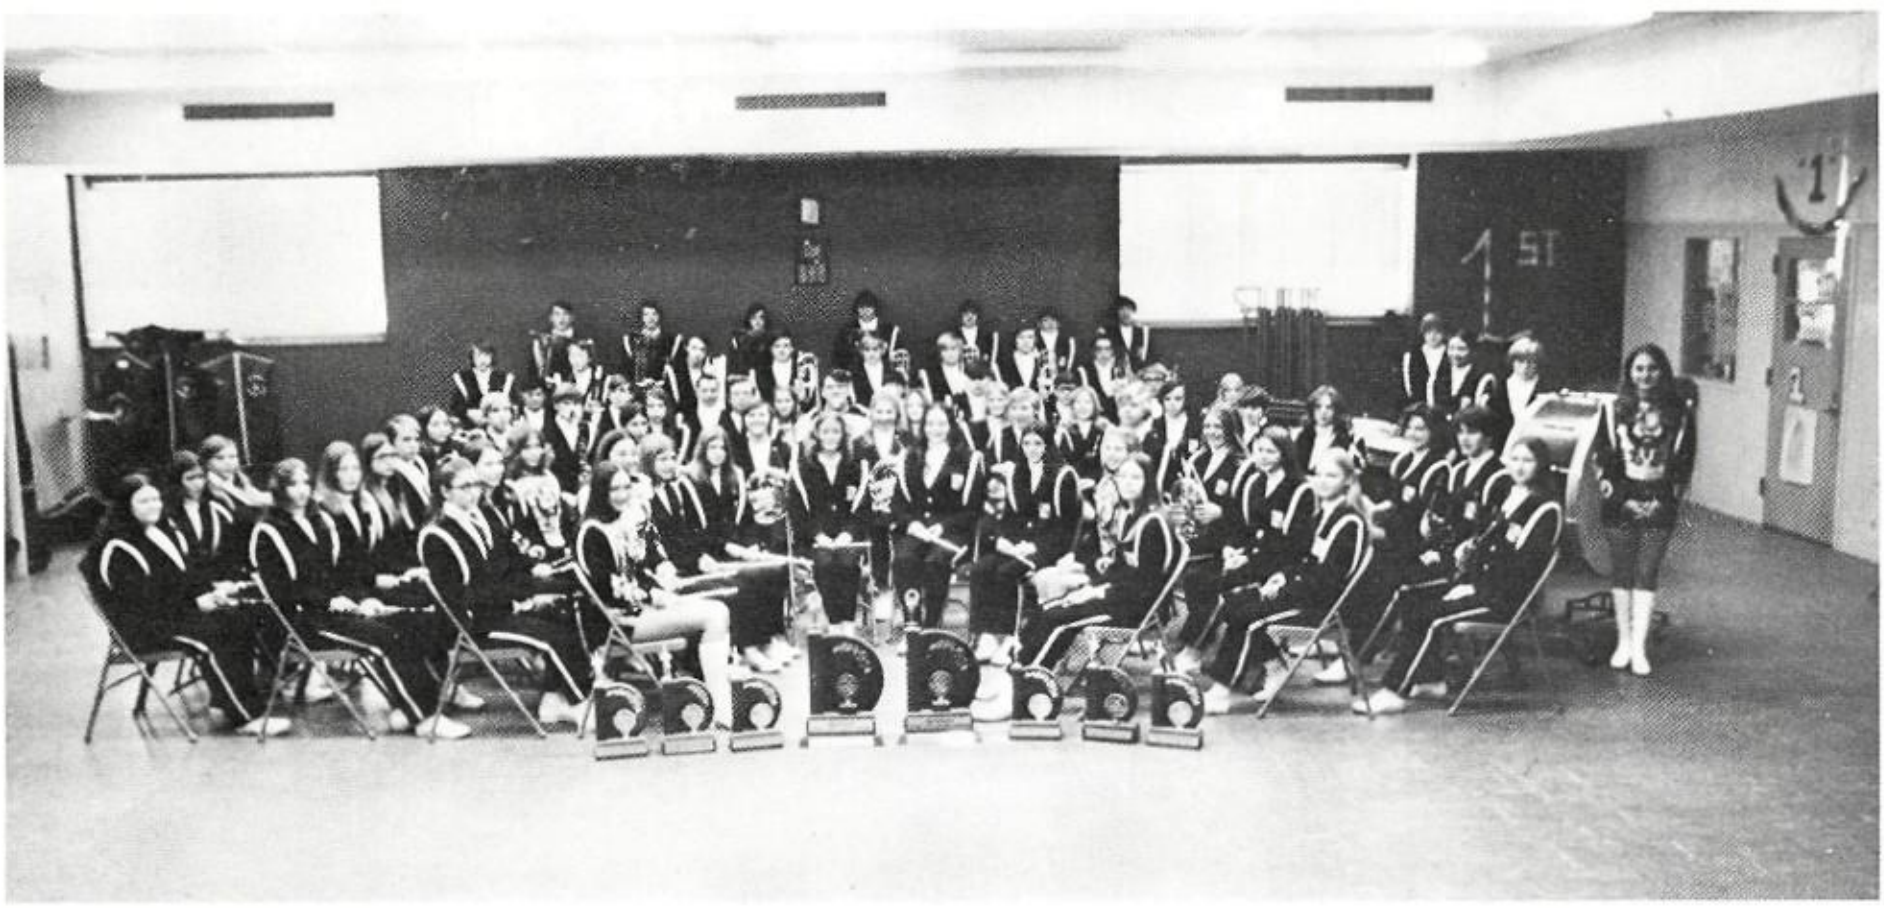




The weeks of practice ground to a halt when November the eighth finally arrived. Beginning with the calmness of anticipation, we gave 100 percent effort and pride from 11:30 until 11:37. Despite a good show, however, the tension mounted as the judges waited for what seemed like eternity to make a decision. Yet once more contest day ended with cheers, tears, and hats in the air.







With batons flying, the twirlers perform at half time (top). The 1972-73 Symphonic Band (center). Again, band members wait for Mr. White to come to school for morning rehearsal (bottom).

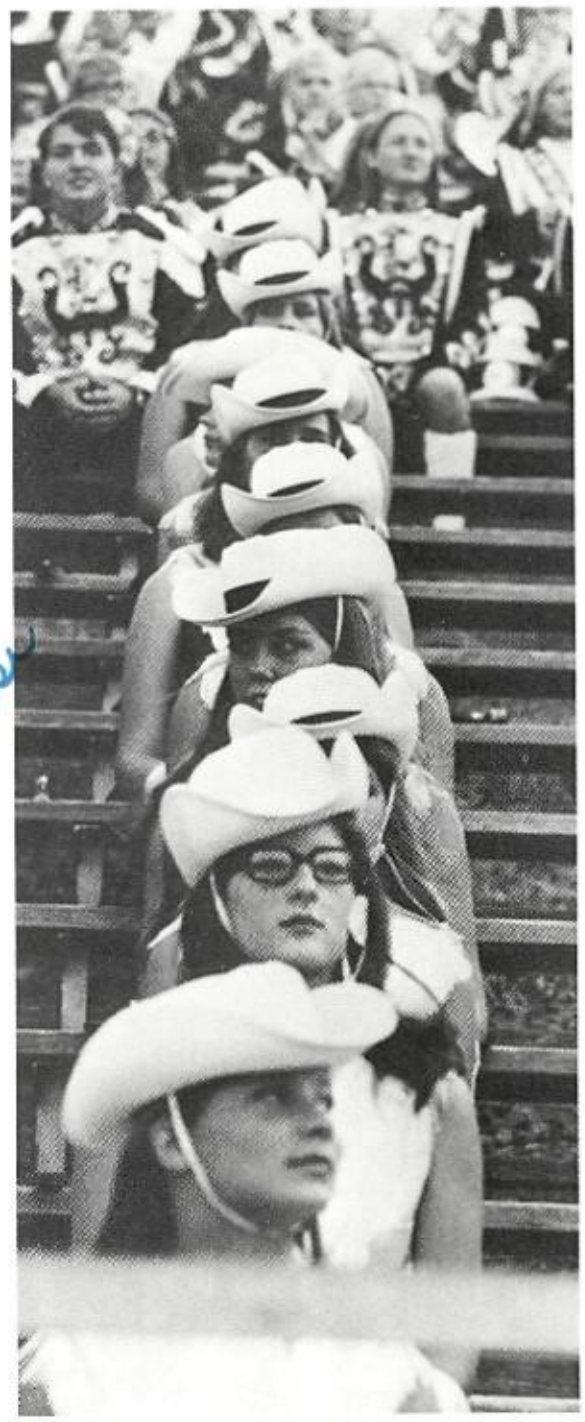
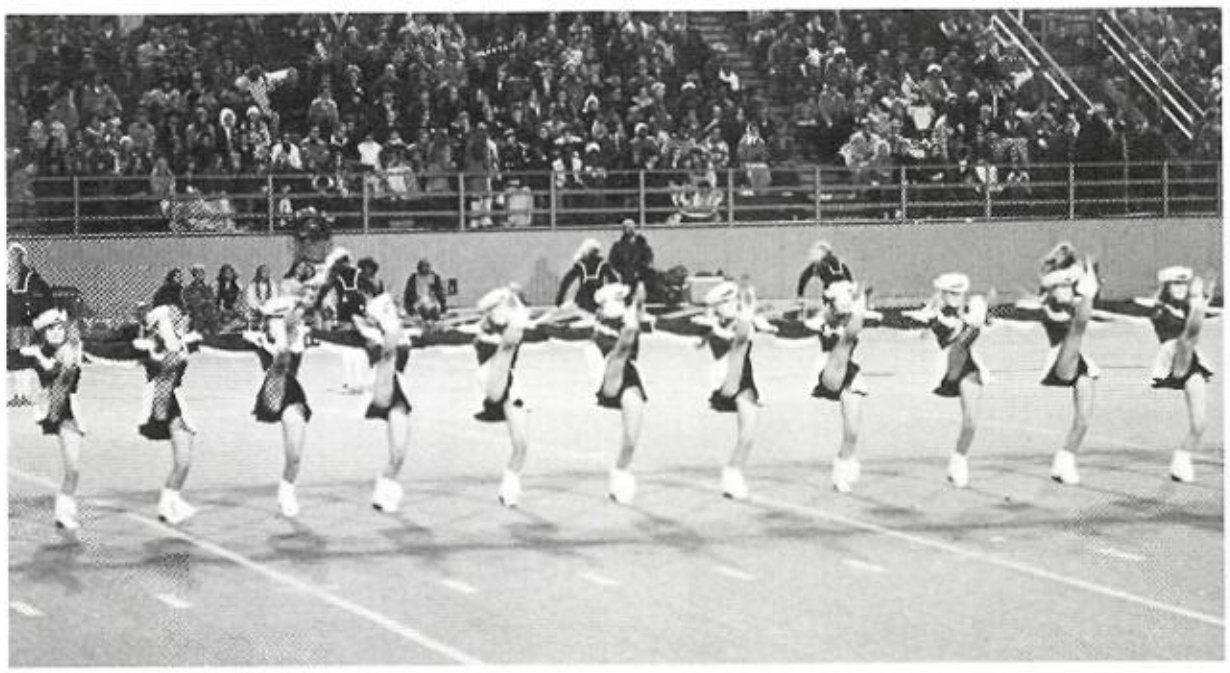
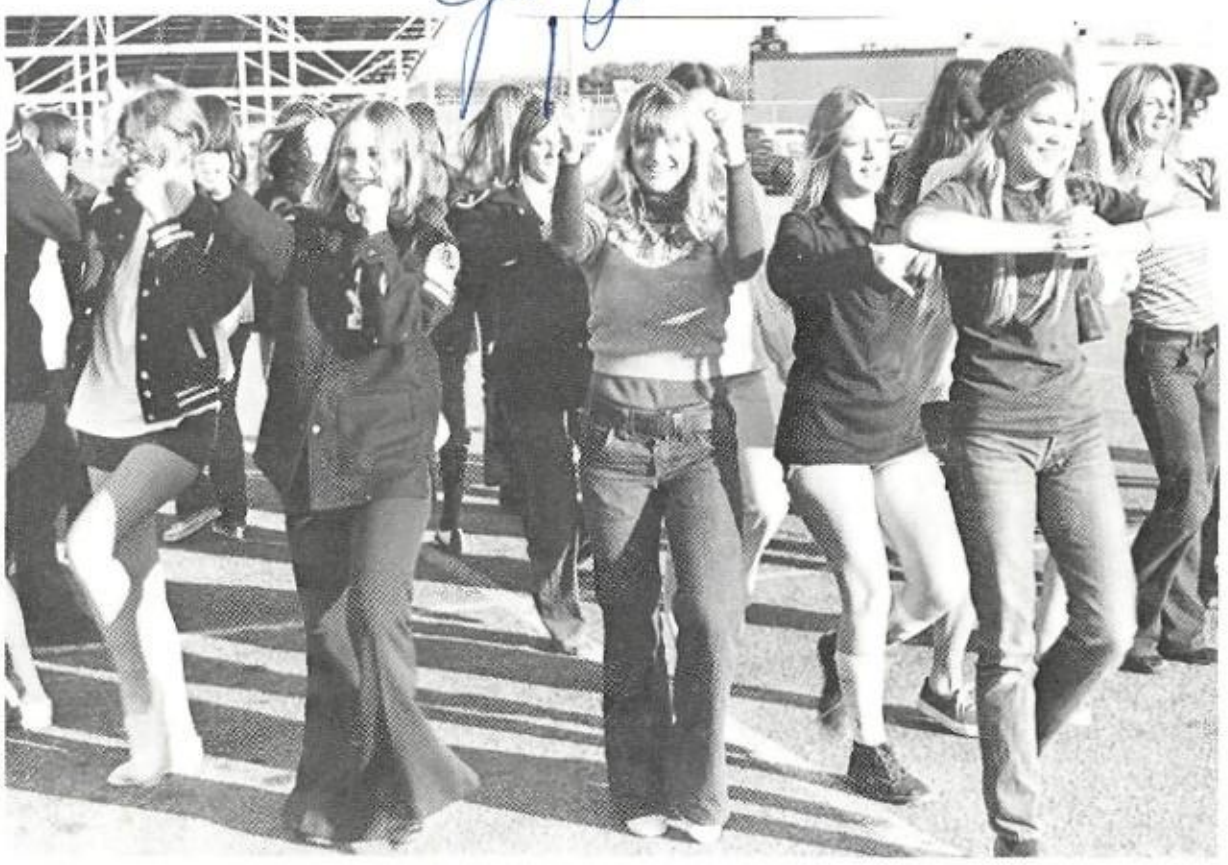
Farmerettes Dazzle Fans With Half Time Charm

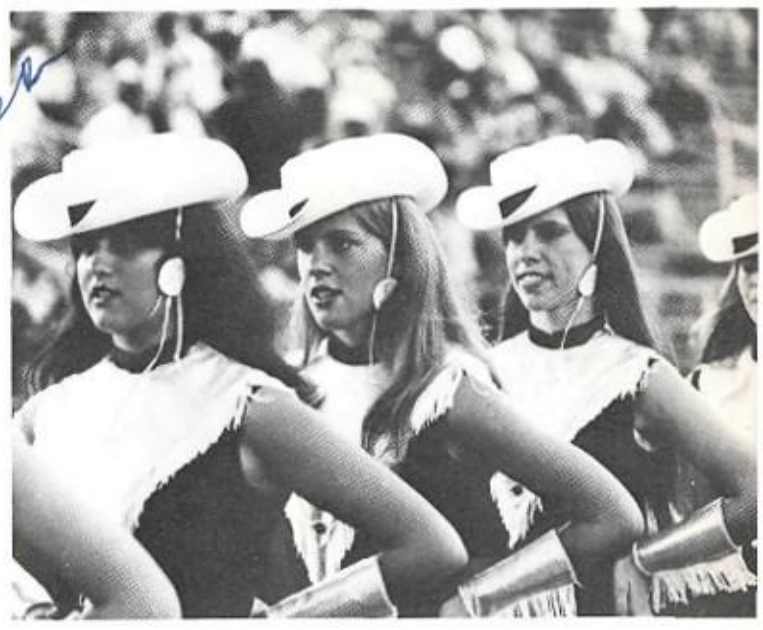






Before taking the field on Friday night, the Farmerettes work nearly seven hours a week. It's excercise and practice, perfecting the routine; it's nervous endurance throughout eliminations; and it's "going over it again and again" with the band before the survivors are finally ready to perform on Friday. Is it worth it? The 58 smiles of the members, managers and sponsor all say it is.

Between forming the spirit line and ringing the victory bell, the charisma of the drill team makes getting that cup of coffee at half time just a little less important.



"We're number one!" The drill team gets the guys up for a win (right). Farmerette Beau — Larry Nickell (center). Flowers and presents, laughter and tears, the last pep rally (bottom).

Big John's Fan Club

Garnell Weinhemer, Donna Routh, Susan Moore, Pam Corbin, and Judy Norvell, are Freshman Cheerleaders (top). "California peaches Arizona Cactus, we play McKinney just for practice!" Goldsmith plays cheerleader (bottom left). Corinne Matson, Cathy Estes, Carolyn Owen, Kim Ables, and Kathy Kenneweg support Big John as the Booster Belles (bottom right).

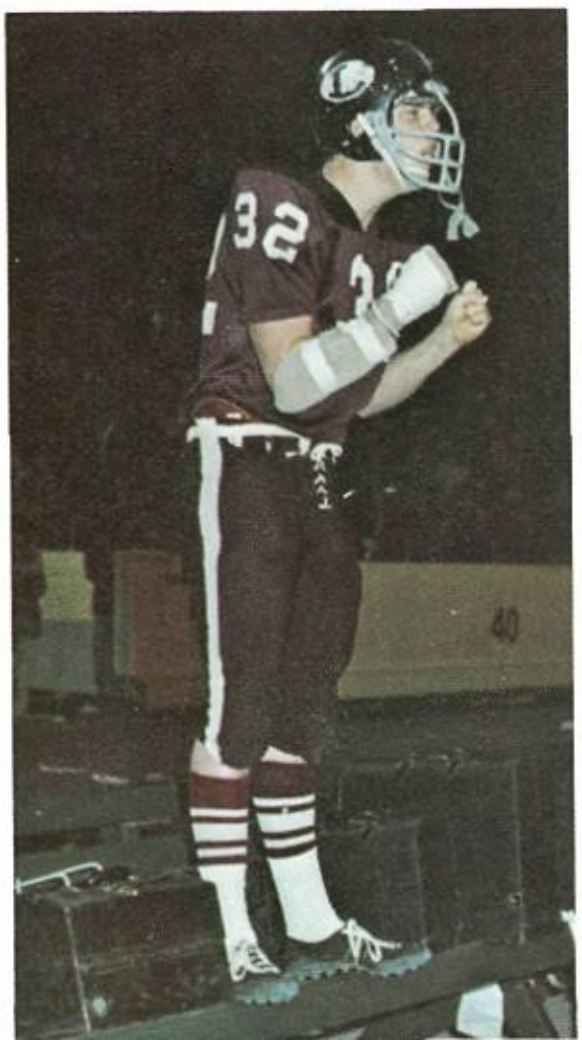
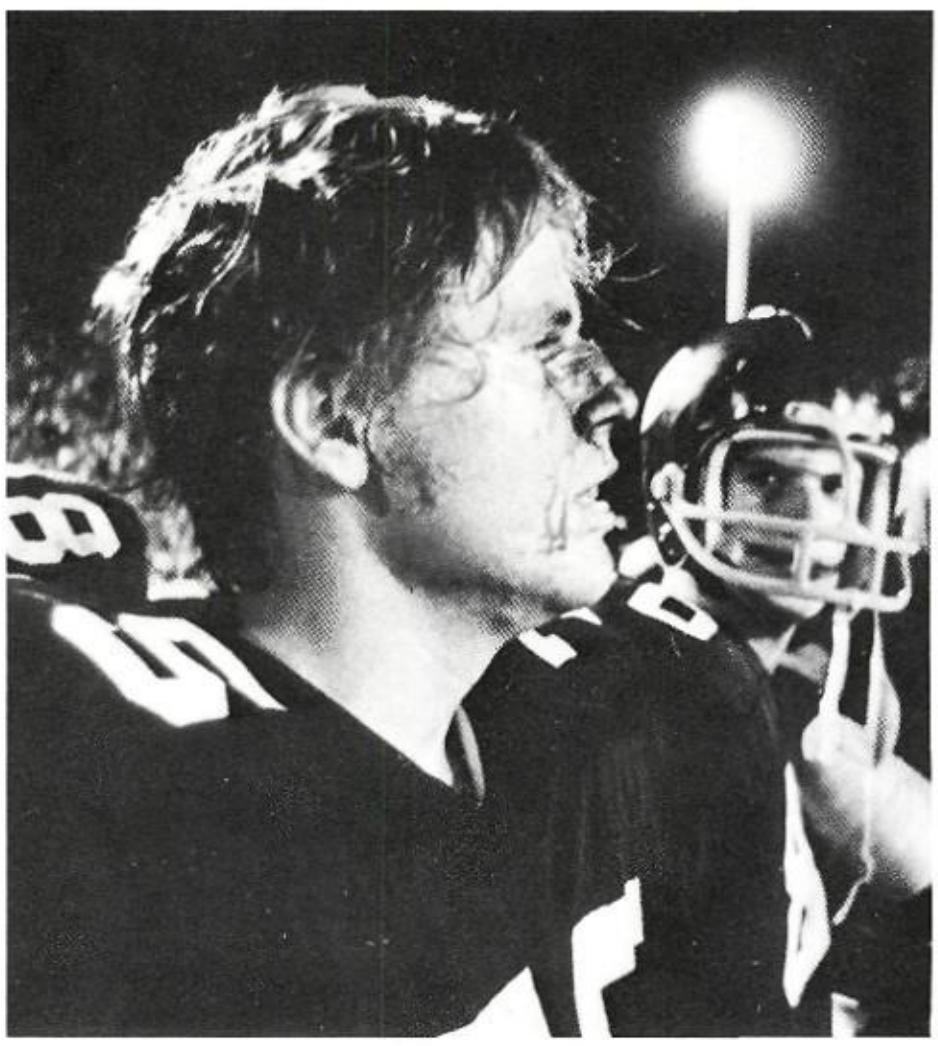
. . . Finally

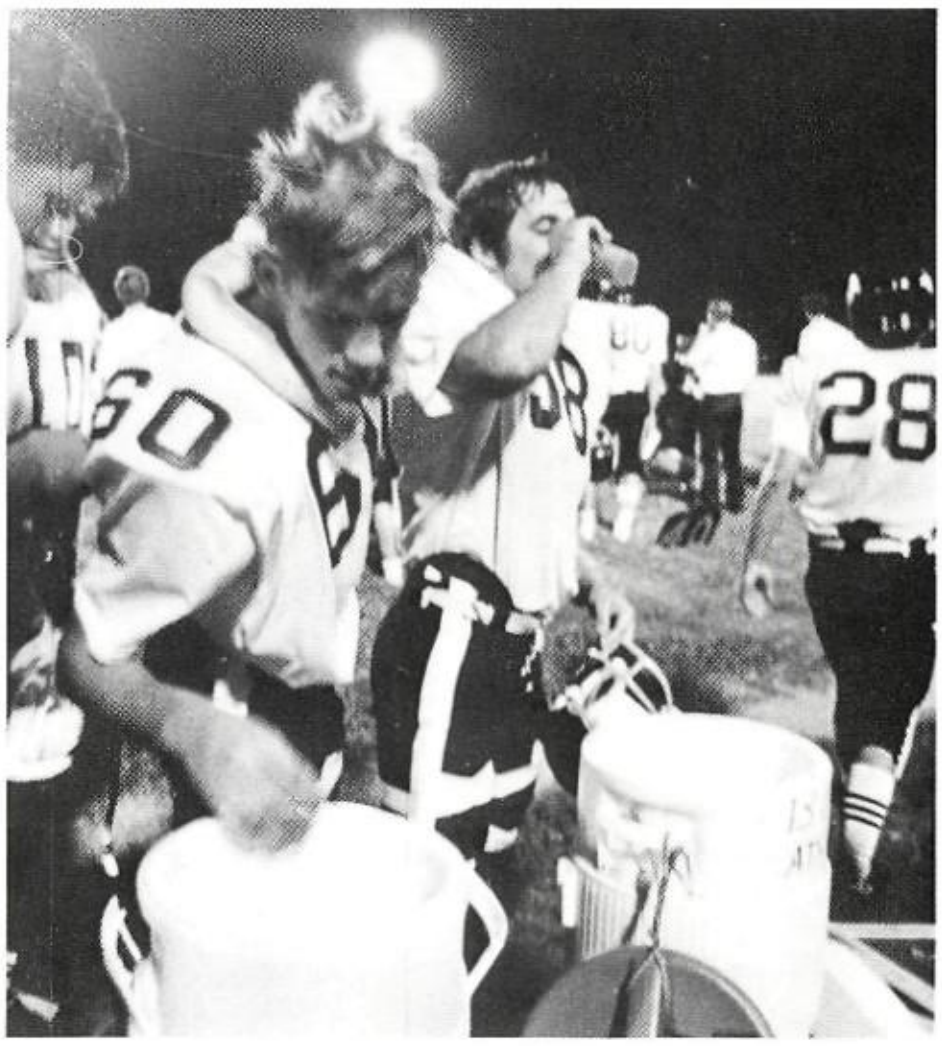
After a drouth of nearly 20 years, the Fighting Farmers were no longer the doormats of the district. Crashing through the playoffs, the team was facing the last step up the ladder toward winning it all. In Austin the 55 hearts on the Tartan turf weren't the only ones who craved the state championship as thousands of fans followed them to the capitol city for the crucial showdown with the Coyotes. Even the 33-28 outcome didn't stop the whole town from assuring the crowd at Memorial Stadium that "we're from Lewisville and couldn't be prouder of our champs."

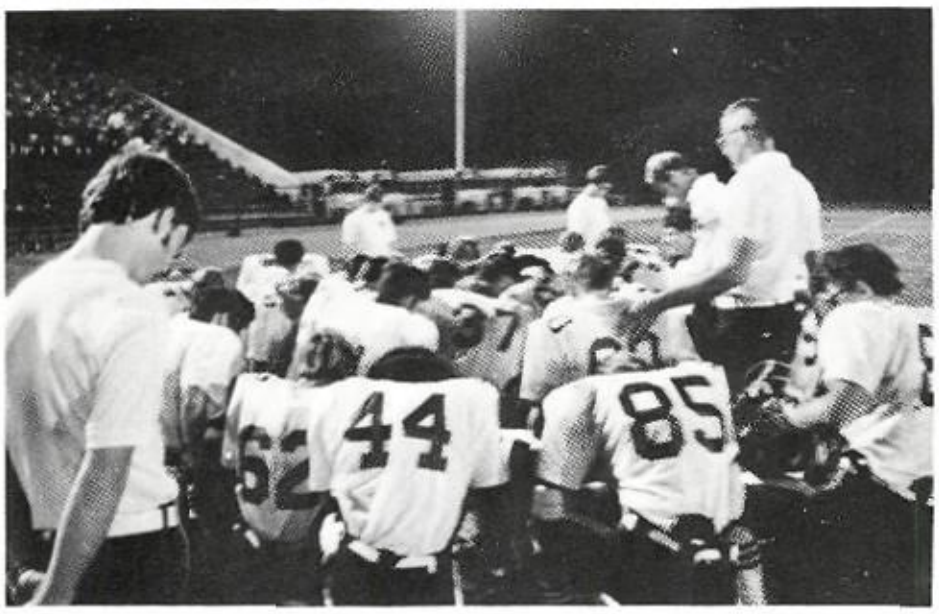


A new team, a winning yea

Farmers loosen up before their first game at Boswell with leg exercises (below). Randy Cade (12) receives the ball behind the blockage of Mark McCurley (54) and is backed up by Mark McWhorter (43) and Mike Nichols (35) (right). The season wouldn't have been the same without Eddie Mullens watching the action from behind a mangled nose. Rusty Cade (60) and John Anderson (58) beat the heat with cold "jungle juice" (panel below).





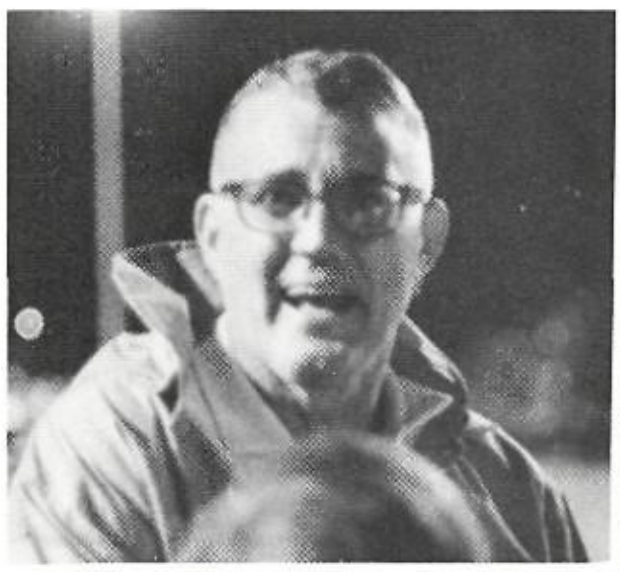


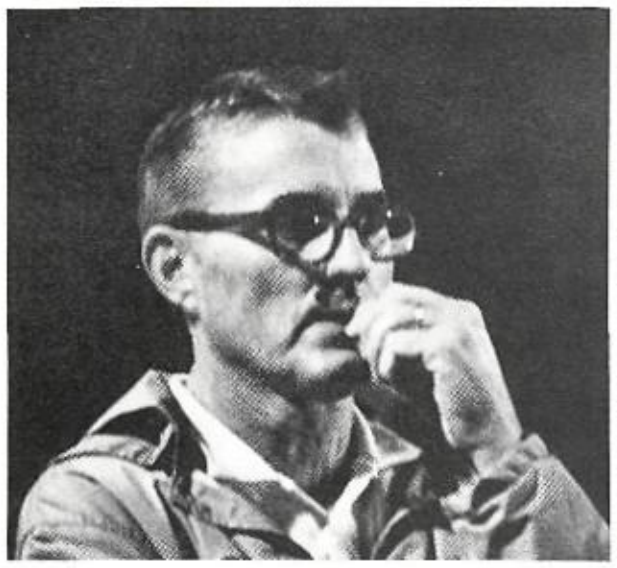
The Fighting Farmers who competed on cold December nights had their beginnings under the burning August sun. After giving much sweat and effort the Farmers travelled to Ft. Worth for their first pre-season game and won. More practice yielded another win, and then another, until people began to take notice of the team that refused to lose.

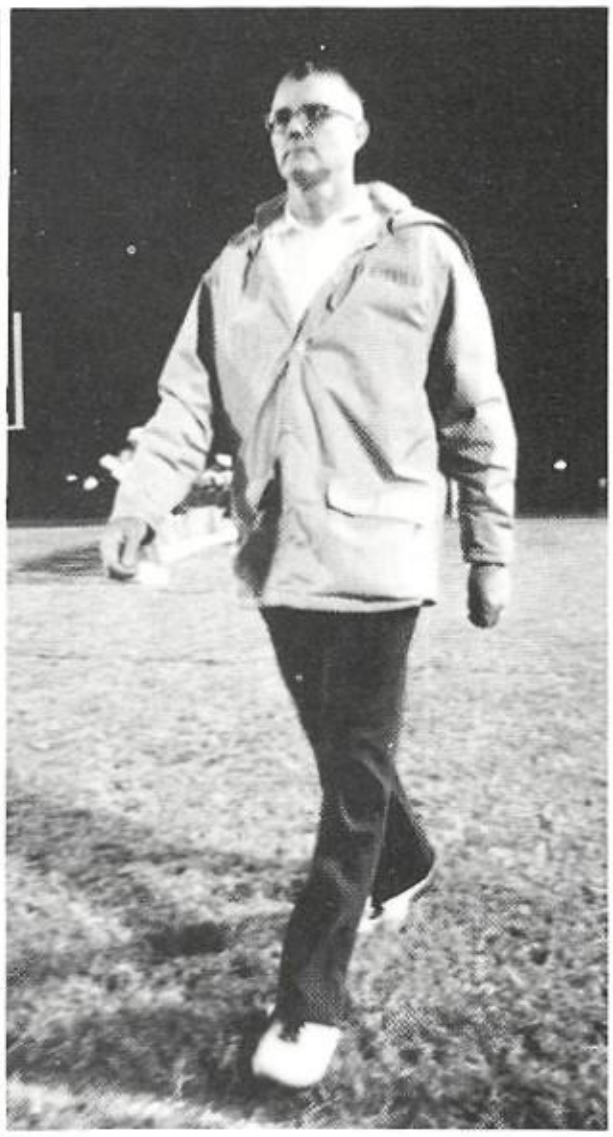
The Farmers defense with James Bishop (40), Steve Coker (84), Ray Bowden (73), and Richard Tharp (79) put an end to an opponent's run. With blocking help from Randy Cade (12),Mike Nichols (35), Mark Angeli (82) and Niles Ladehoff (74), fullback Paul Rice comes up with another long gain. The whole LHS team: players, coaches, managers, and trainers bow their heads for a moment of prayer. James Bishop (40) and Rusty Cade (60) stop a Bonham runner from below as other "Mad Hogs" pursue (panel above). Boswell's Pioneer is surrounded by a ring of Farmer defenders including John Anderson (58), Jerry Cunningham (32) and Gary Autwell (80) (left).

By mid-season, the Farmers were looking up. Each game they won added fuel to the momentum needed to win district. Head coach Bill Shipman had his athletes believing they could do anything as a team. Every Farmer believed in himself and in his teammates, and with this faith, they moved into the State playoffs.

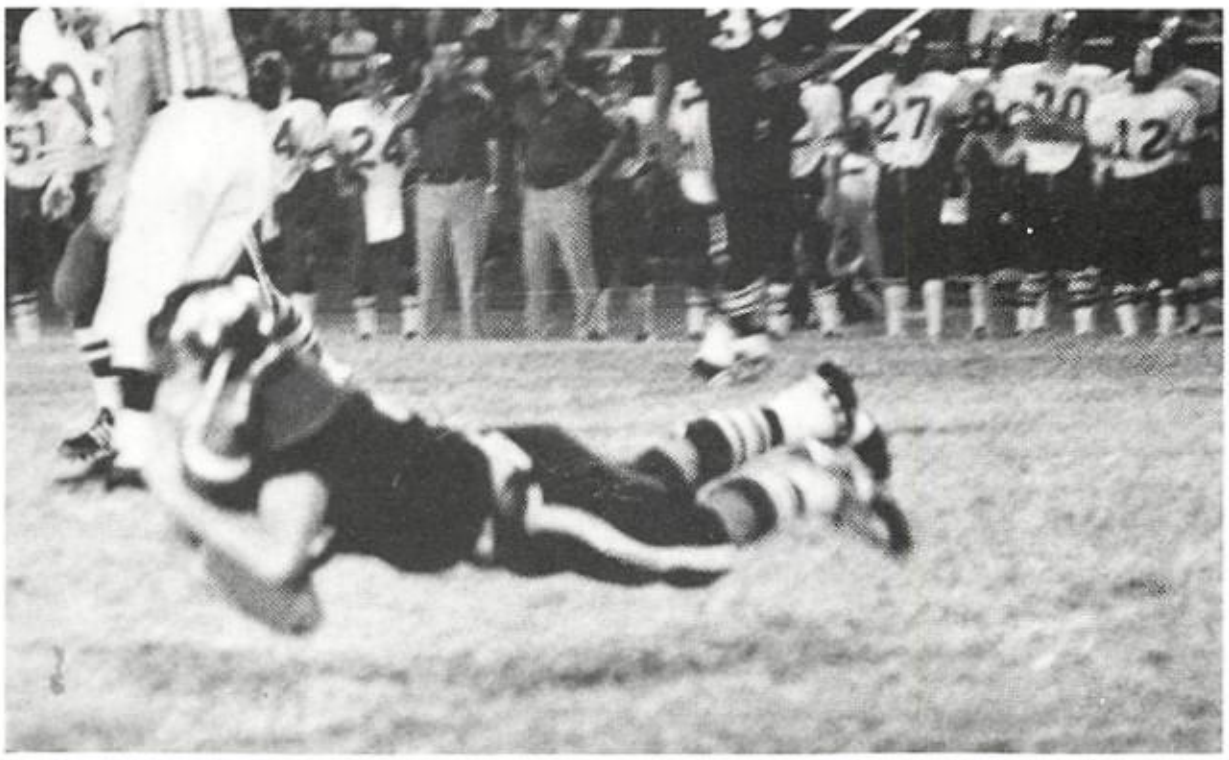
Fullback Mike Nichols (35) powers for yardage against South Grand Prairie (top). The many moods of the head man, Coach Bill Shipman considers his strategy before leaving the stadium a happy but gracious winner (lower right).



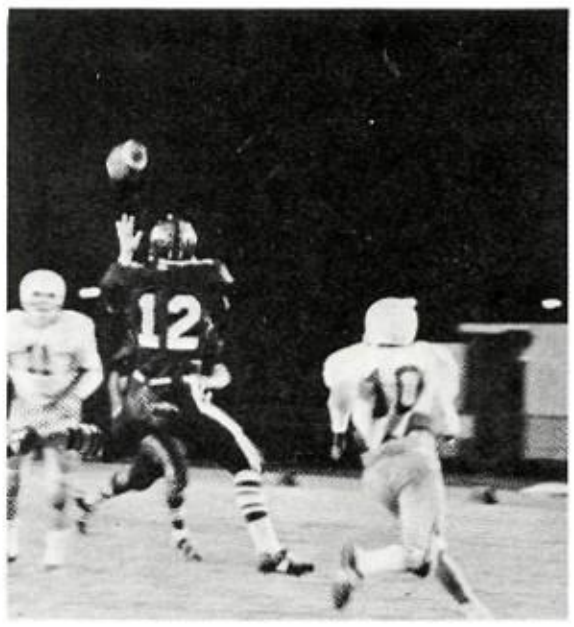




Believing is half the battle

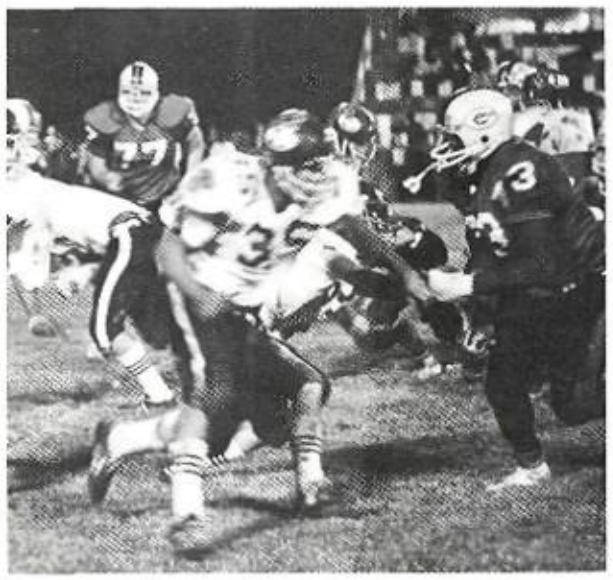


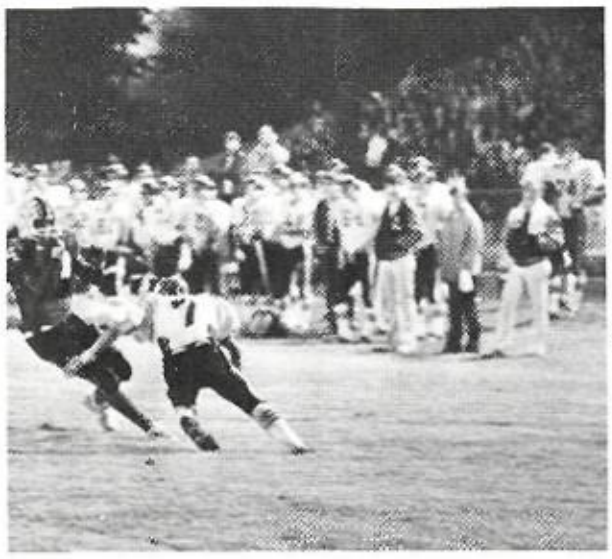
COMPLETE! A Farmer receiver makes the diving catch (upper left). Joe Martin (8) wheels out of the backfield behind the blocks of Randy Mayes (65), Rudy Durham (67) and Eddie Mullens (75) (center left). The defense holds. Tackle Ray Bowden (73) signals the "Mad-Hogs" have stopped Bonham's fourth down try (lower left).

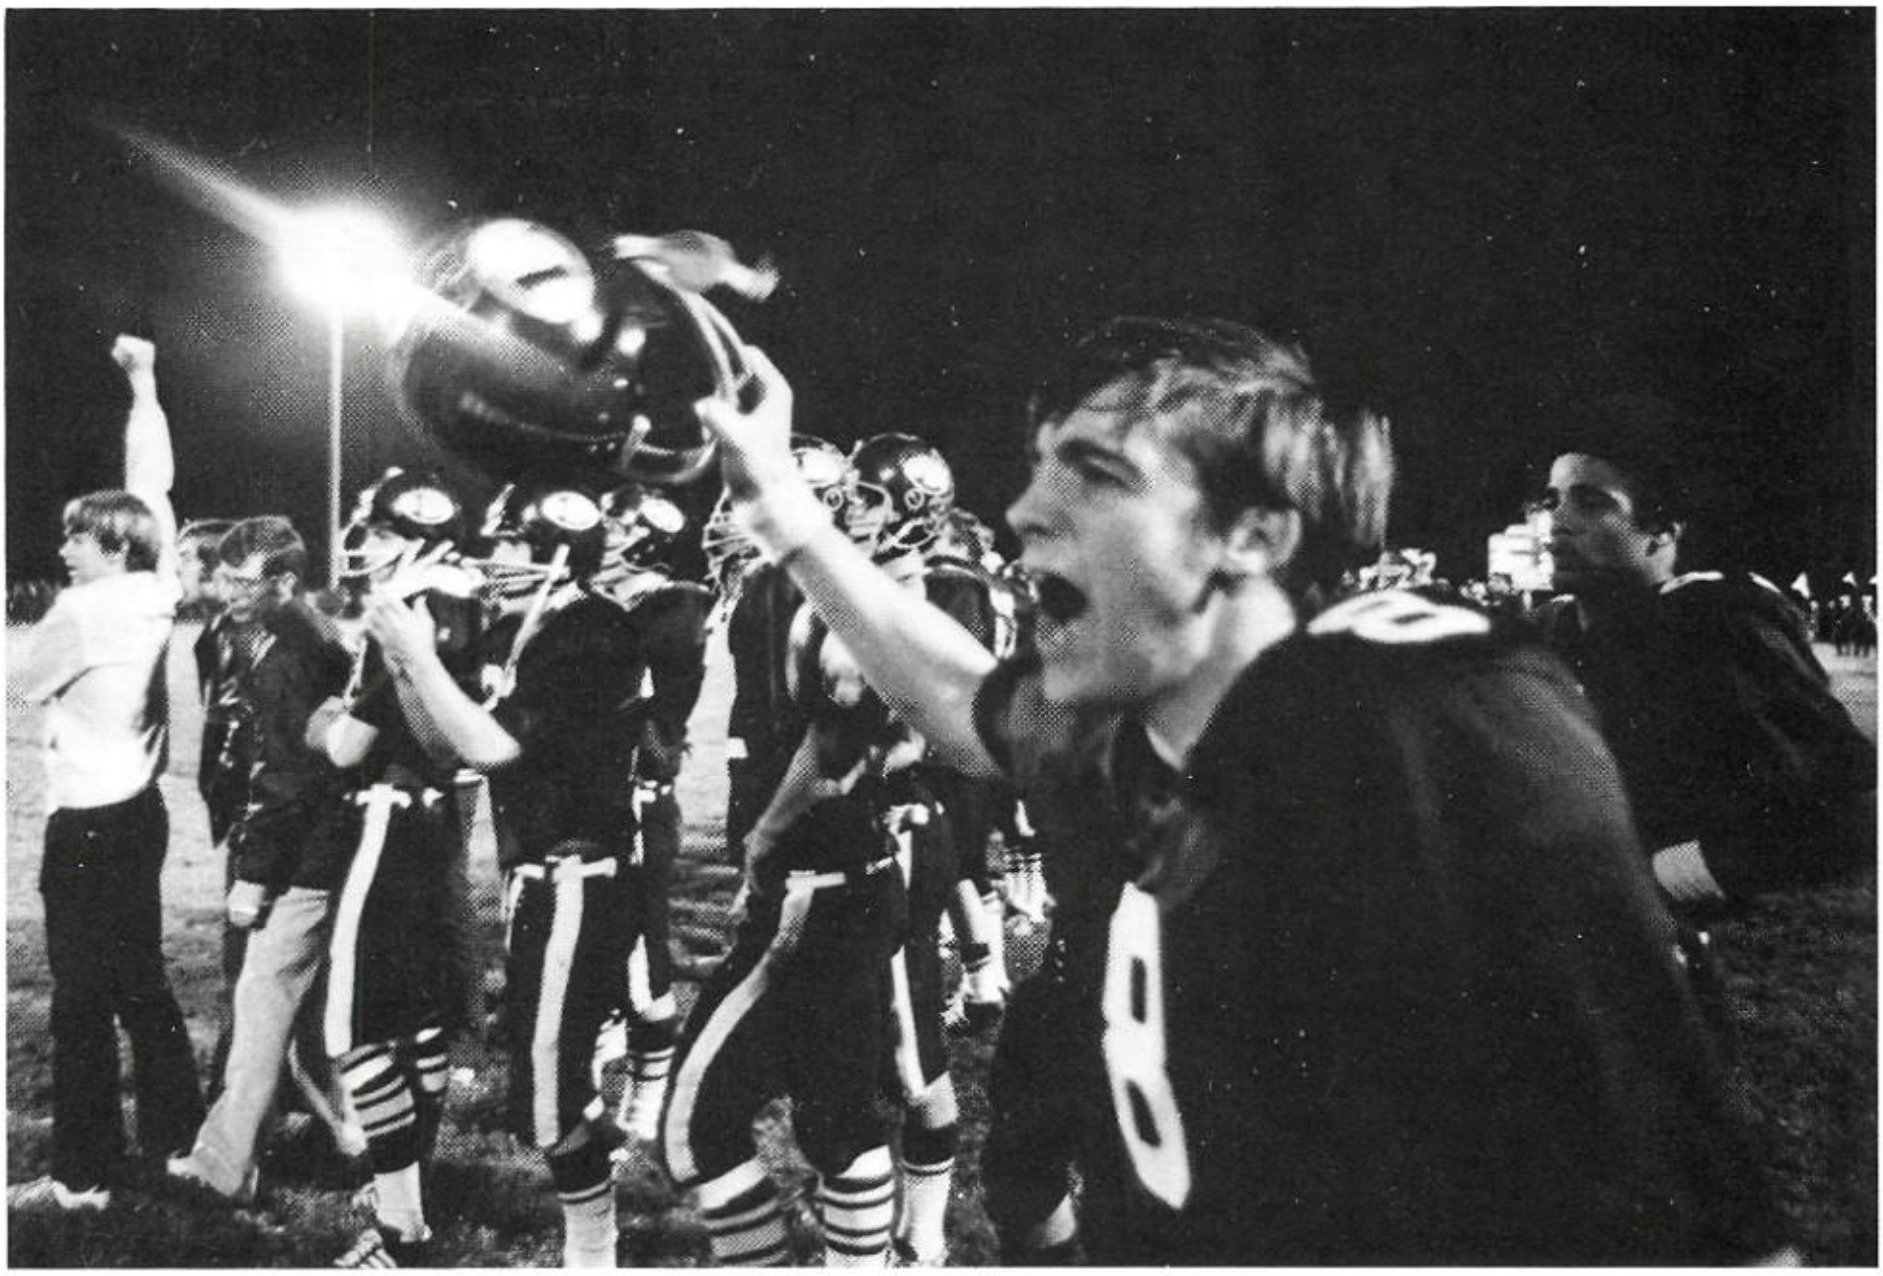


Randy Cade (12) finds the open area for a completion (above).

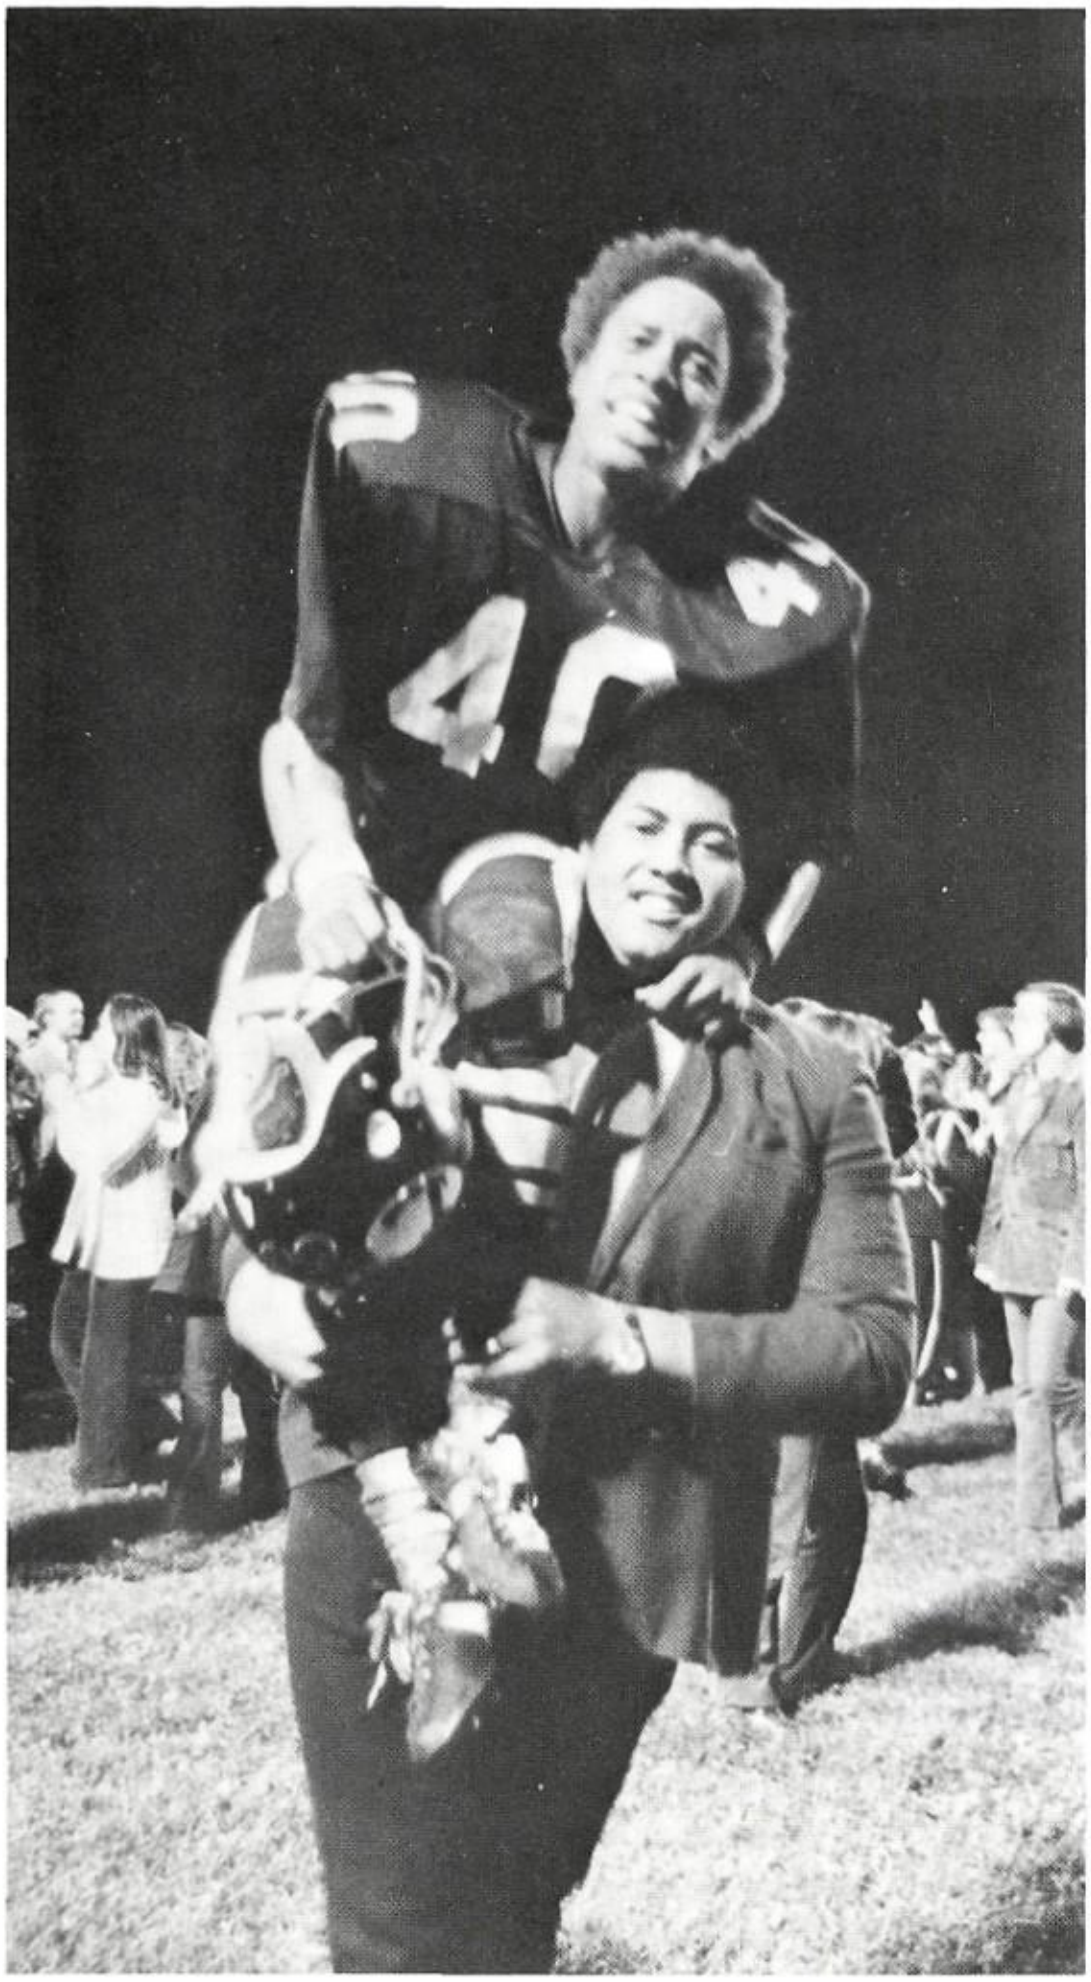
After roaring through eight straight opponents without a scratch, the Farmers seemed unstoppable. But two games shy of a perfect record, Big John's forces got a sampling of defeat when the sticky turf of Leeper stadium and a double tough Gainesville defense held the "Blasters" to a single touchdown. When it was over, Gainesville won by a toe as a 37 yard field goal gave the Leopards a 9-6 victory.







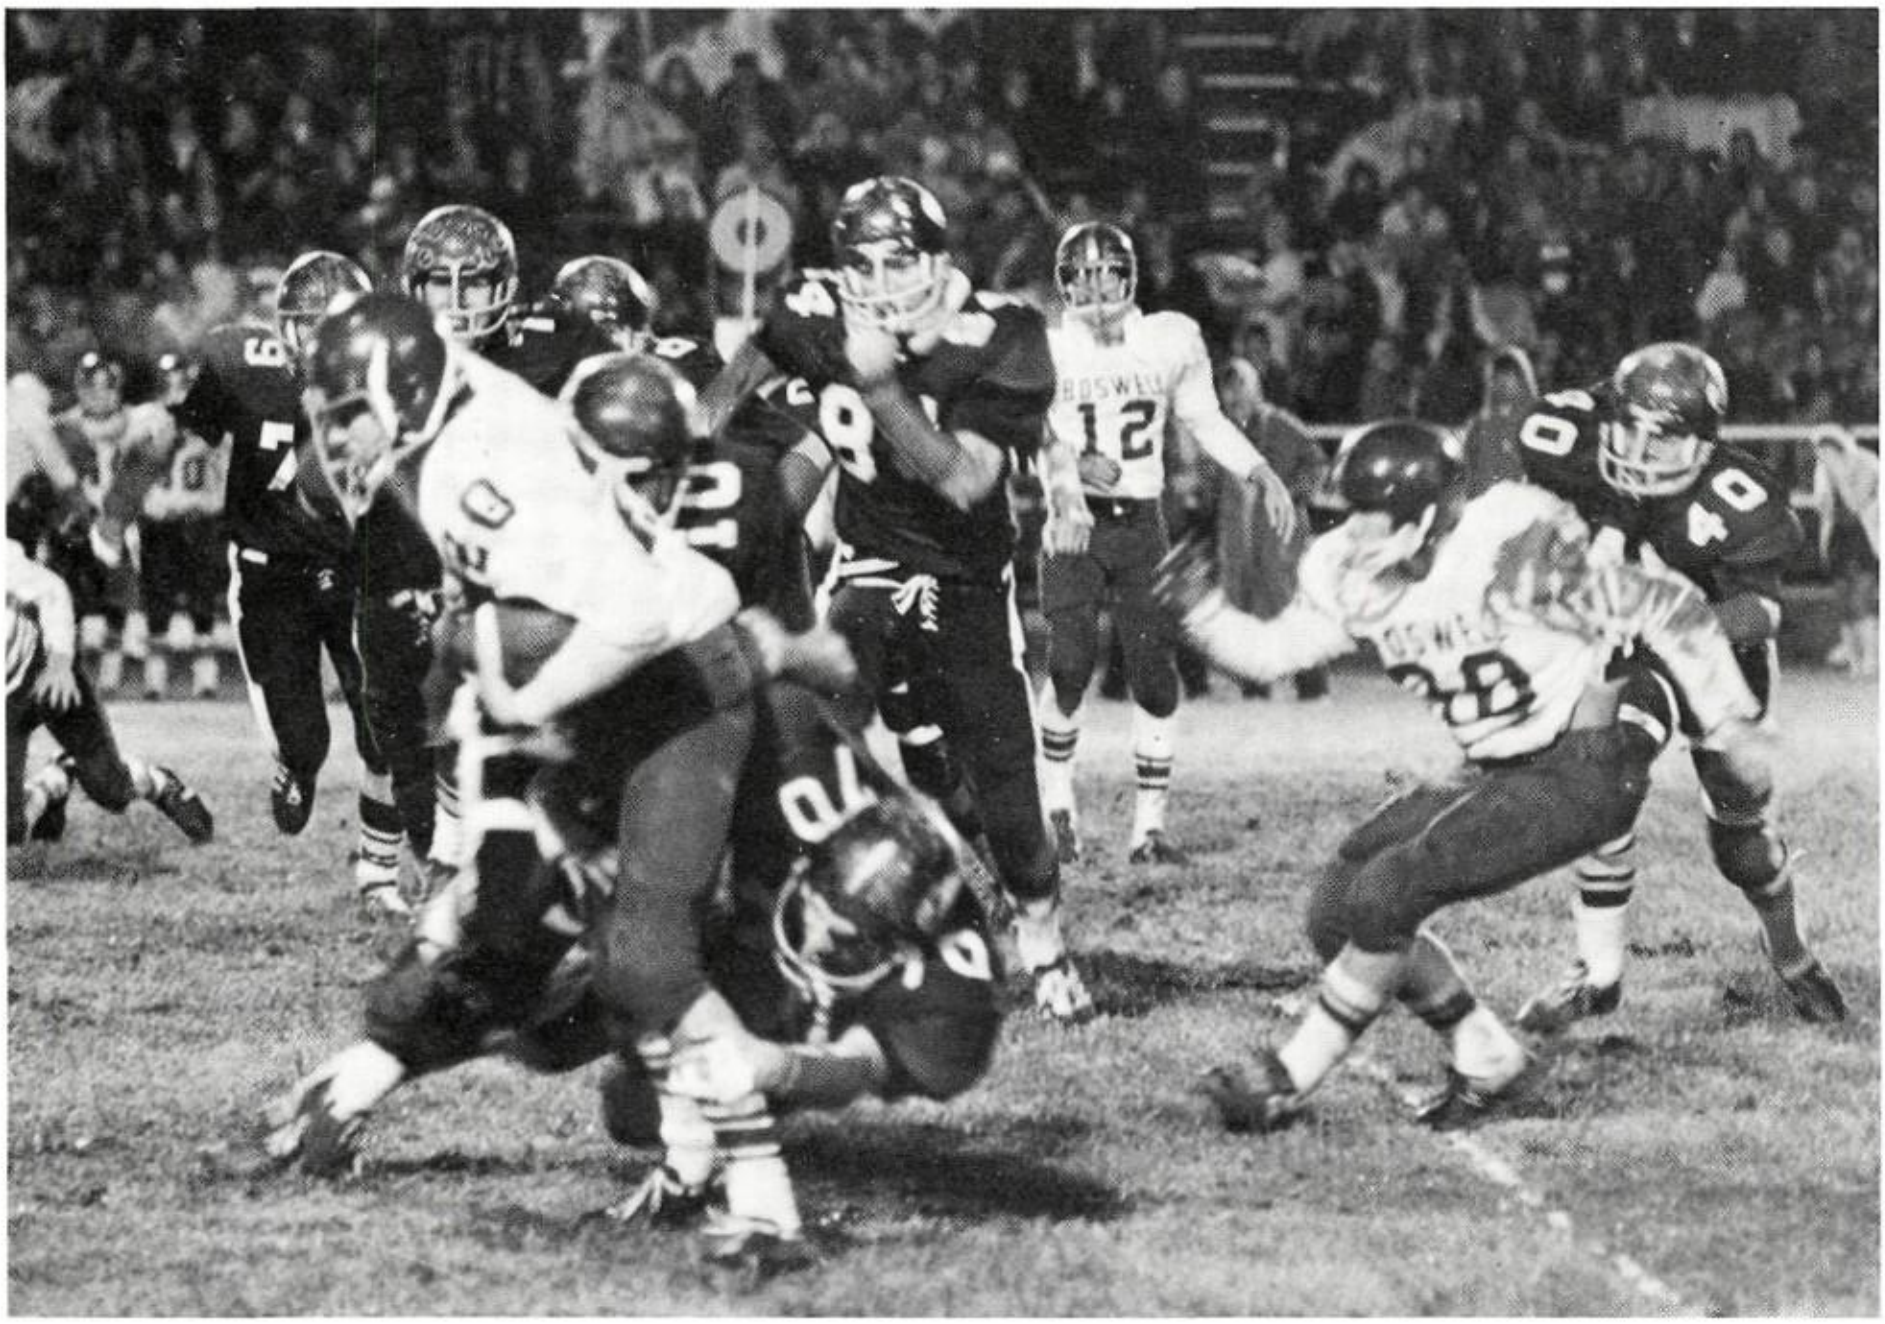
A night of frustration, A year of success



A basic maxim in athletics is the good teams are able to come back from defeat. Lewisville proved this against McKinney with a "must" win. Fighting for their lives, the Farmers fell behind in the first half. And it wasn't until the dreams of a year fell into tackle Niles Ladehoff's arms that victory became reality. The offense was given new life when number 74 grabbed a deflected pass and picked up a crucial first down. All was joy in Lewisville town when quarterback Joe Martin slipped into the corner of the end zone, and with no time on the clock, Randy Cade kicked the Farmers to a district title. The memory of a bitter loss to Gainesville only made the 29-28 victory over the Lions that much sweeter. On this night Big John *was* "Number One."

James Bishop (40) enjoys a victory ride after Lewisville stopped the powerful McKinney Lions (left) while Billy Graham (21) wonders what went wrong in Gainesville (above).

The more you win the more you play; Lewisville goes for a state title



Making the play-offs meant fun and excitement, but also more work and stronger competition. But the team that struggled to win its first game against Boswell, showed it had come a long way by powering over the Pioneers in their second meeting for bi-district (above). The next game was Mt. Pleasant. Randy Cade (12) boots the point after (left). Three Farmers watch the action against Burkburnet (center). Coach Petross delivers the message: We're number one! (right)

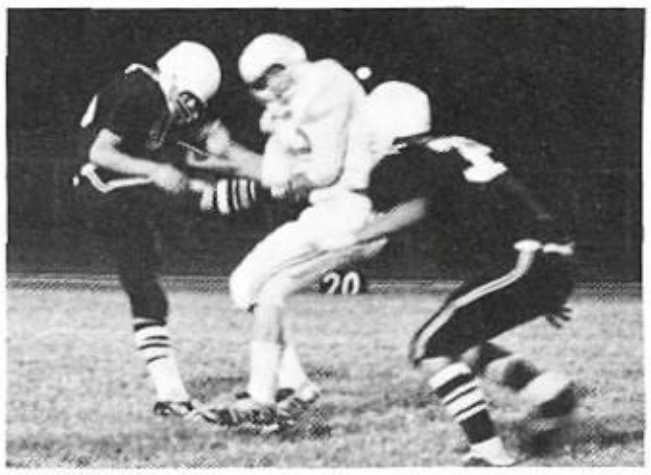
Playing at Memorial Stadium at UT, safety Allen Fox intercepts against Uvalde in the state championship game (bottom).

(Top right panel) With Coach Petross manning the hot line, these Farmers stand ready to go into action. Ronnie Jones (32) rips through a gaping hole in the line behind fine blocking from Tim Gibbons (63) and Billy Coates (75). Watch out! Punter Mark Medtker barely gets the kick away against Gainesville. Cutting back across the grain, Dwayne Baptist (40) churns for yardage. Joe Holden (44) breaks into the secondary against Plano. Mark Glover (58) and Brian McKamy (19) take a water break.



Junior Varsity's 4-5 season mark in no way shows the contribution this squad made to the football program. Sacrificing valuable practice time, the J. V. helped prepare the varsity for a different opponent each week. When their regular season ended, the team continued to push the Farmers through the playoffs. Touchdown — Farmers!!

Dwayne Baptiste (40) bolts into the end zone (left). Trailing by a little bit, Lewisville's secondary defends against the pass (lower right).

With a 3-10 season, the 9th grade footballers had a rude introduction to high school competition. But with a year's experience behind them, these 34 athletes look forward to varsity competition.

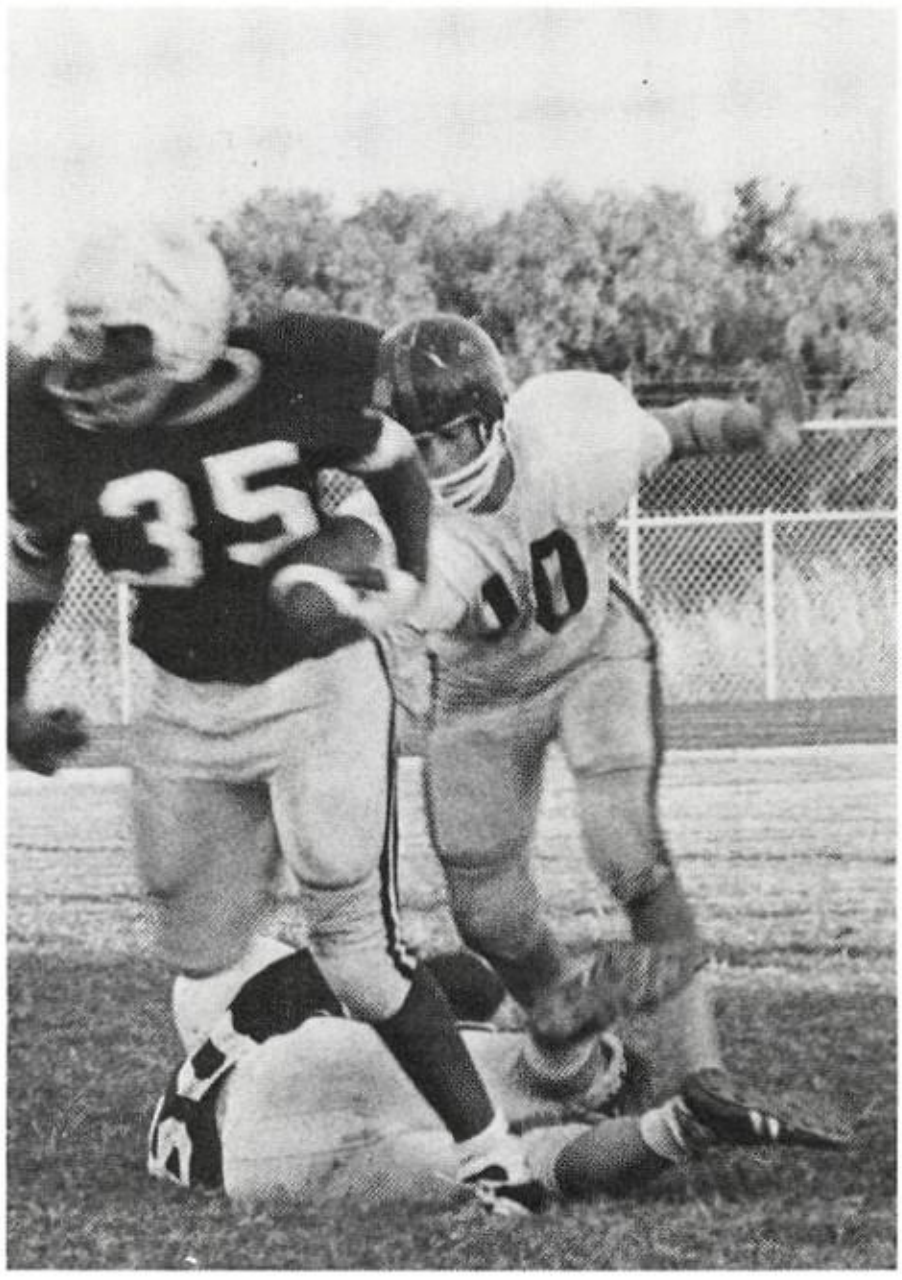
Offensive tackle Mike Gooch (75) leads the sweep as Ray Rudolph (85) blocks the pursuit. Taking a breather during the game, these players closely follow the action on the field. All of football is not glamorous as Gary Kerbow discovered when he hurt his knee early in the year. Vernon Brown (35) runs for daylight as he steps over a teammate and runs for the goal line (right).



Excitement Plus Speed: Farmer Basketball

It was an exciting but frustrating year for Farmer basketballers. After starting fast by winning nine in a row, the going got sticky in district play. Hampered by a consistent height disadvantage, the close games kept ending with Lewisville behind by "a little bit." When the season closed at Gainesville, the Farmers were 13-8 for the year and looking forward to dethroning McKinney in next year's final campaign in district 6-AAA.

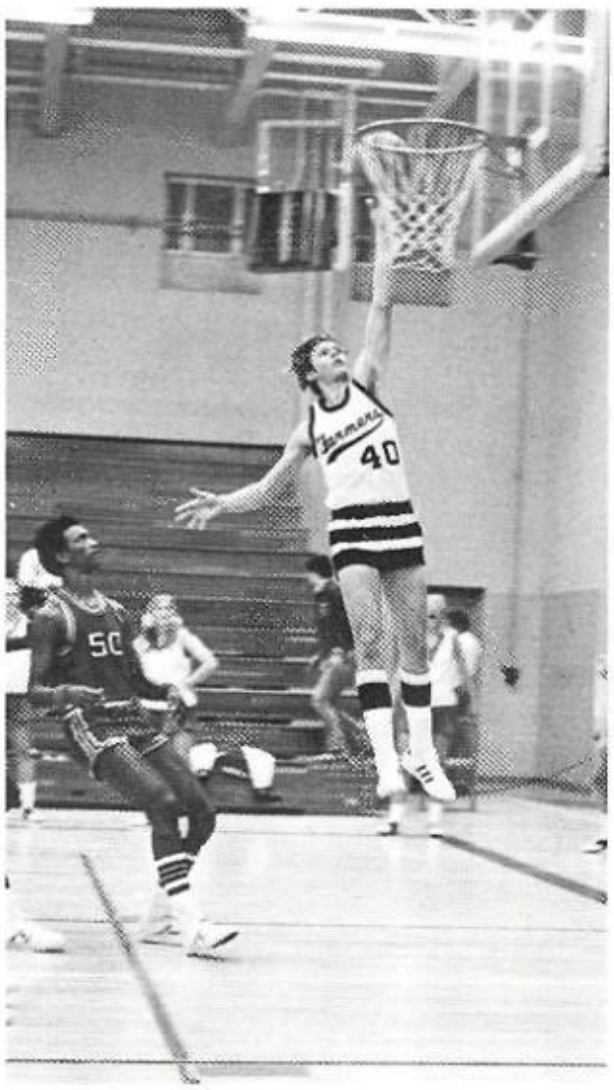
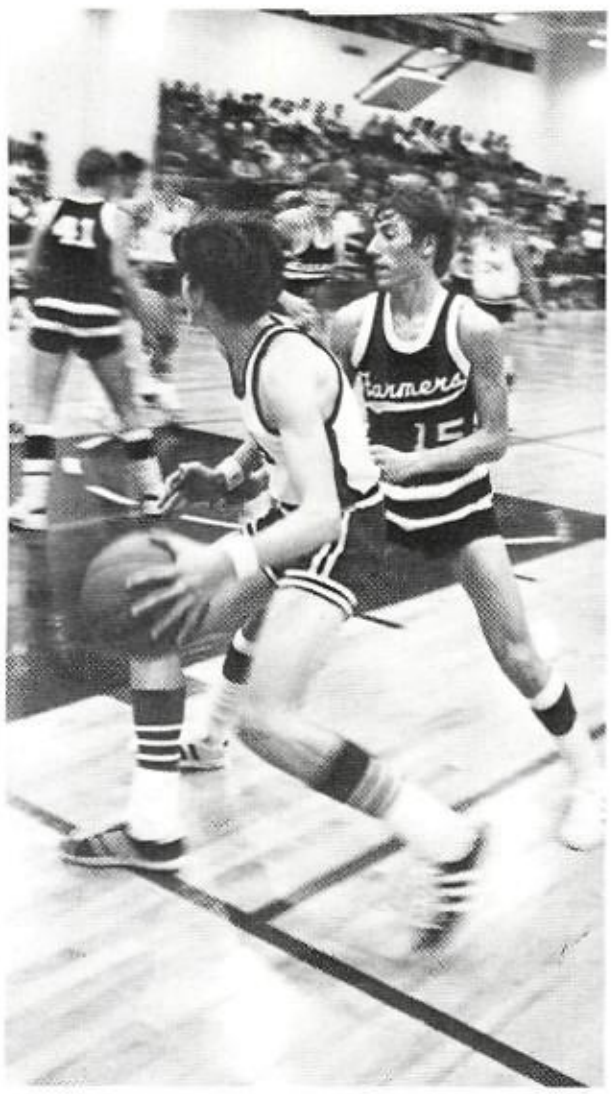
The expressions of concentration and tension of Coach Ted Barnes prove basketball is truly a game of nerves (top panel). Twisting in mid-air, Senior Mark Boyd (20) scores two against North Garland (left). Senior Keith Owens intently watches the action (above).

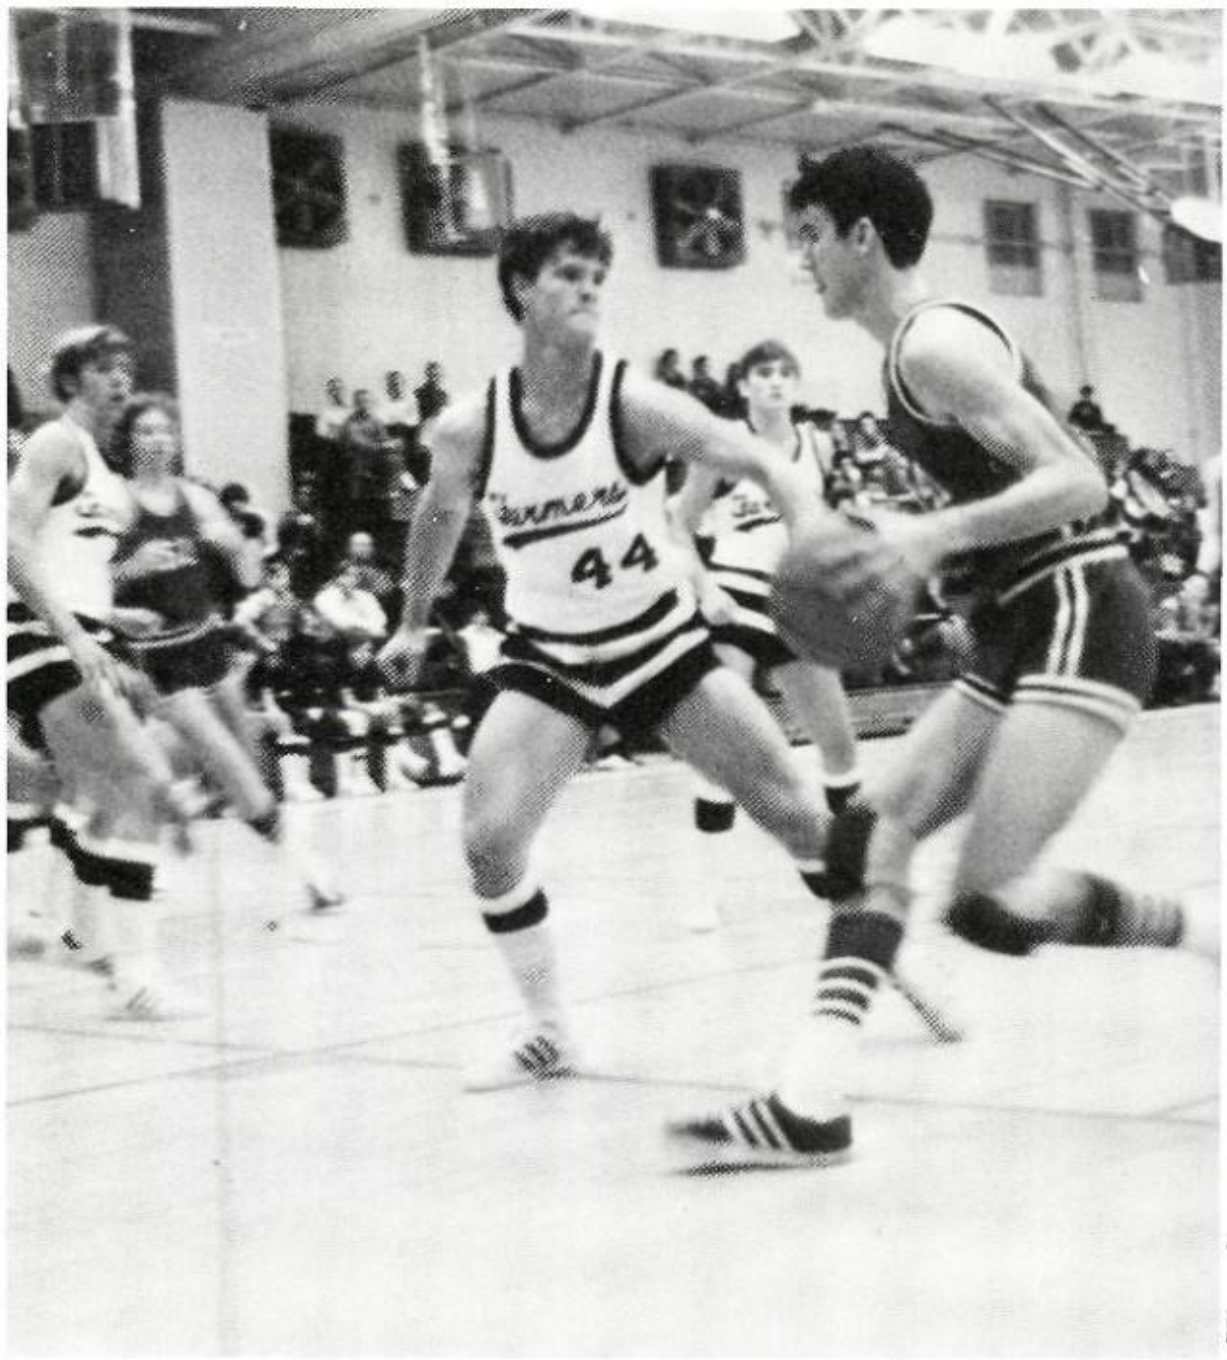




Mike Lindley (40) cracks the defense to drive for the wide open lay up (top left). Defense is often the name of the game as David Pollard (15) heads off the drive (top right). Capturing that elusive ball can be a problem. The Farmers watch and wait for the rebound (bottom).

Larry Nickell (10) eyes the defense as he prepares to inbound the ball (left). Wading into the thick of things, Senior Gary Westlund (30) tries to come out with the ball (below).

Junior Forward Danny Allen (44) refuses to give up the base line (top right). Sammy Voss watches an enemy rebound (lower left). Play gets rough as the Farmers scramble for possession of the ball (lower right).



Kevin Weiss (23) throws out a big hand to stop the jump shot (lower left). Paul Rice (24) moves in from the "other side" to put in the left handed lay-up (top left). Mike Lindley (40) and Ken Moseley (20) make this rebound a family affair as they both grab the ball (top right).

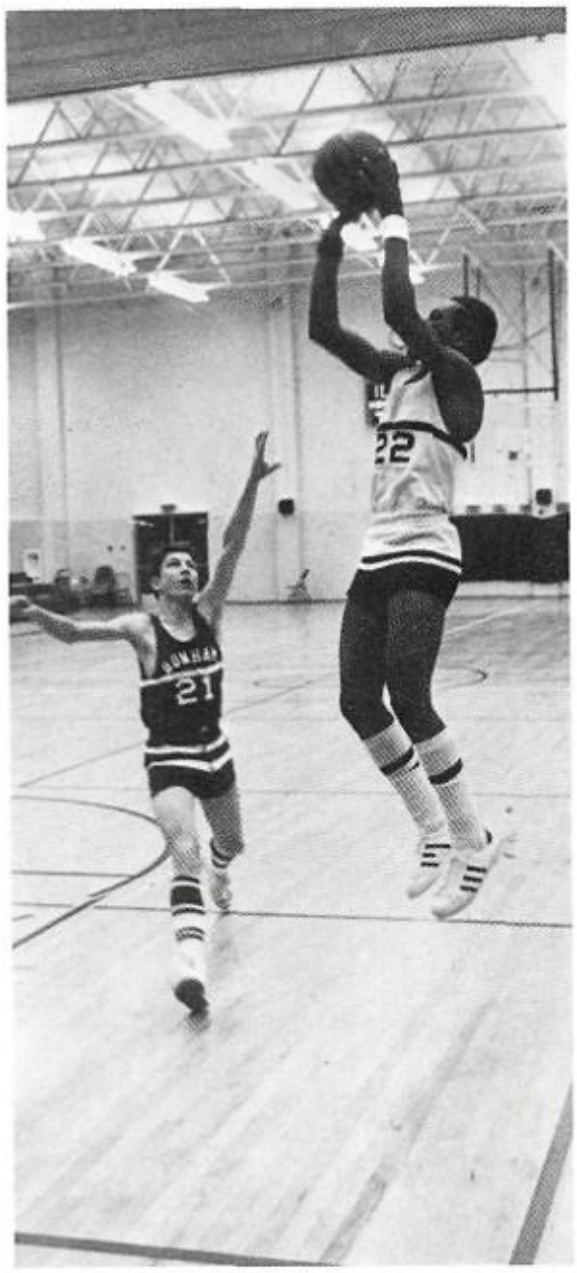
Junior Varsity Basketball



The junior varsity found the going tough in 1973. With a 6-12 record, the team looks forward to moving up to varsity competition.

Lee Simpson (22) guns from the corner (top right). Seeing action on both the JV and varsity, Paul Rice avoids a defender and puts it up (top left). Forward Tim Chancellor (44) drives for a score against Bonham (lower right).

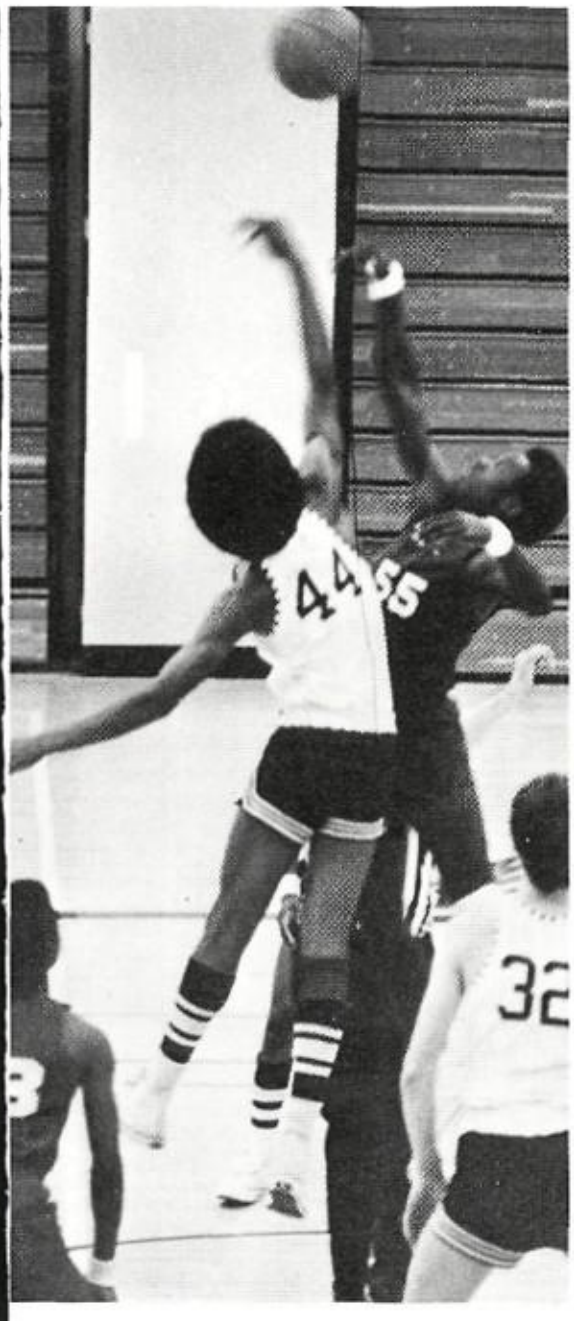
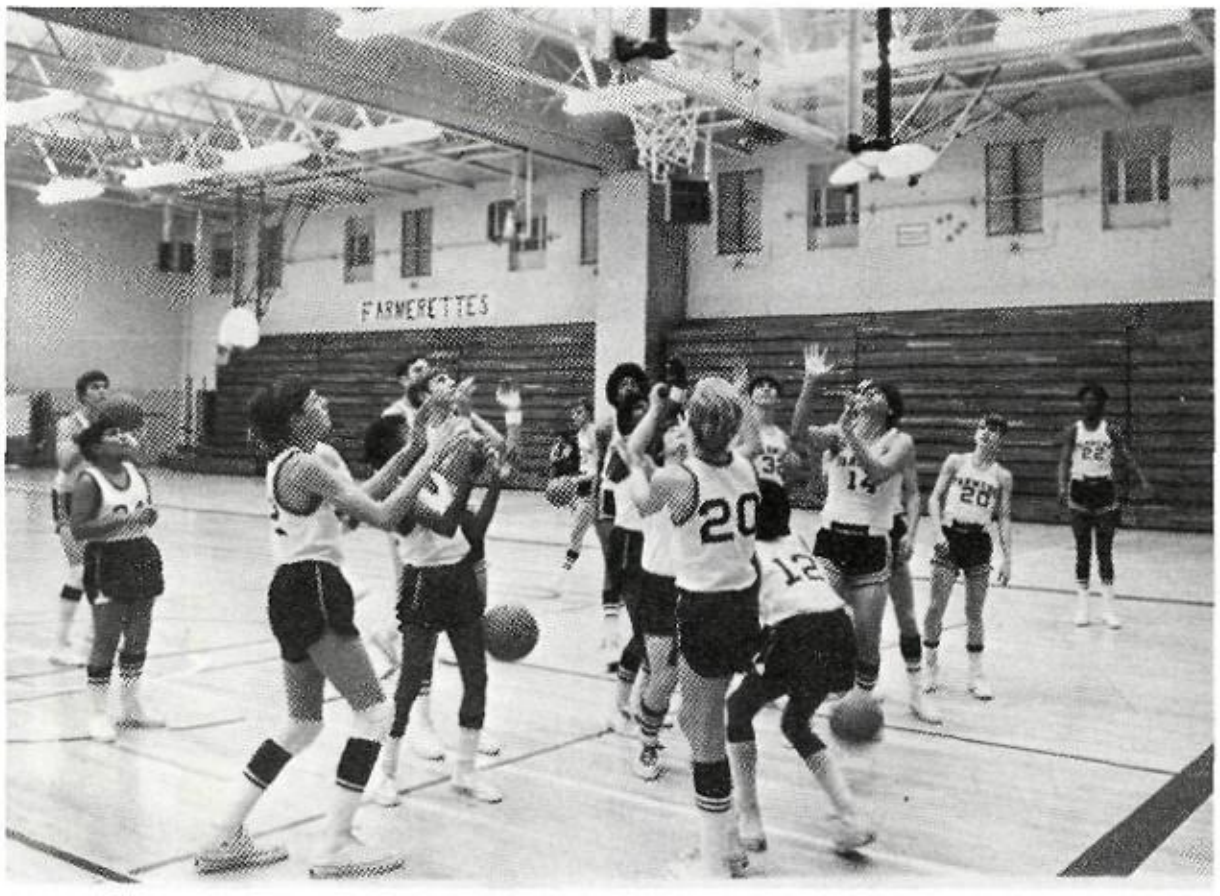
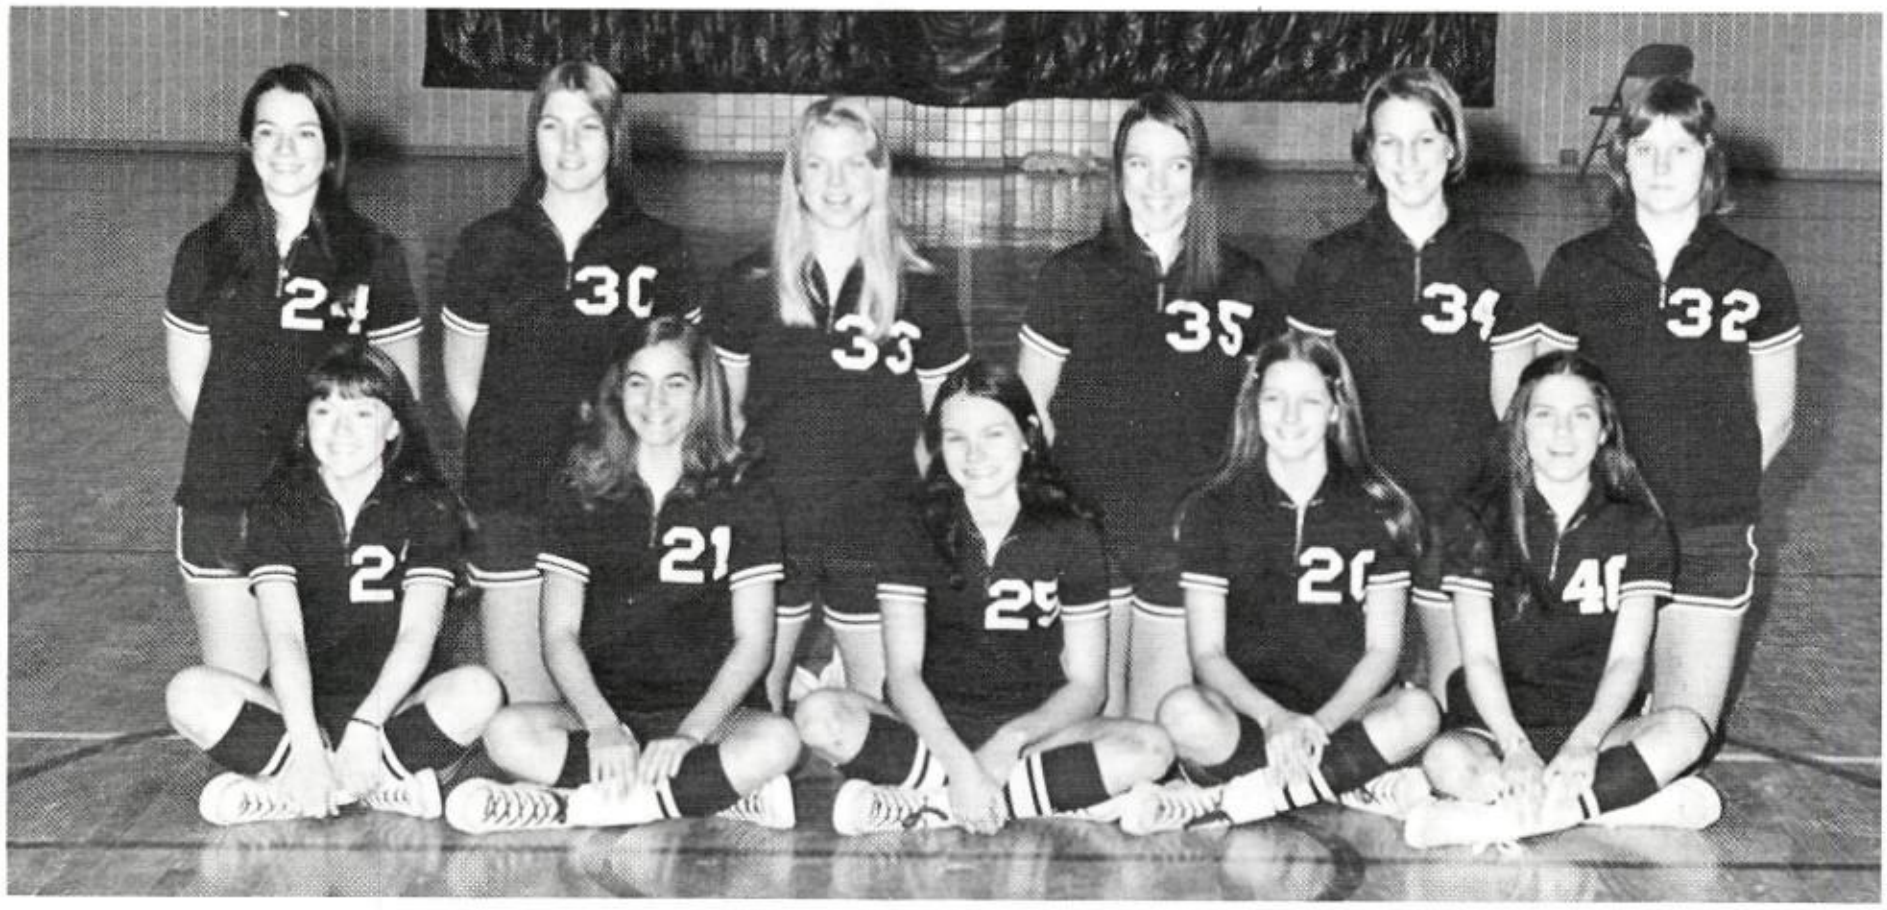
With a 3-2 record in district play the freshman roundballers came away from their first year of competition with a league title. Winning the championship did not come easy, however, as the Farmers had to defeat Bonham the final game of the season to complete the year with a 6-8 overall record.

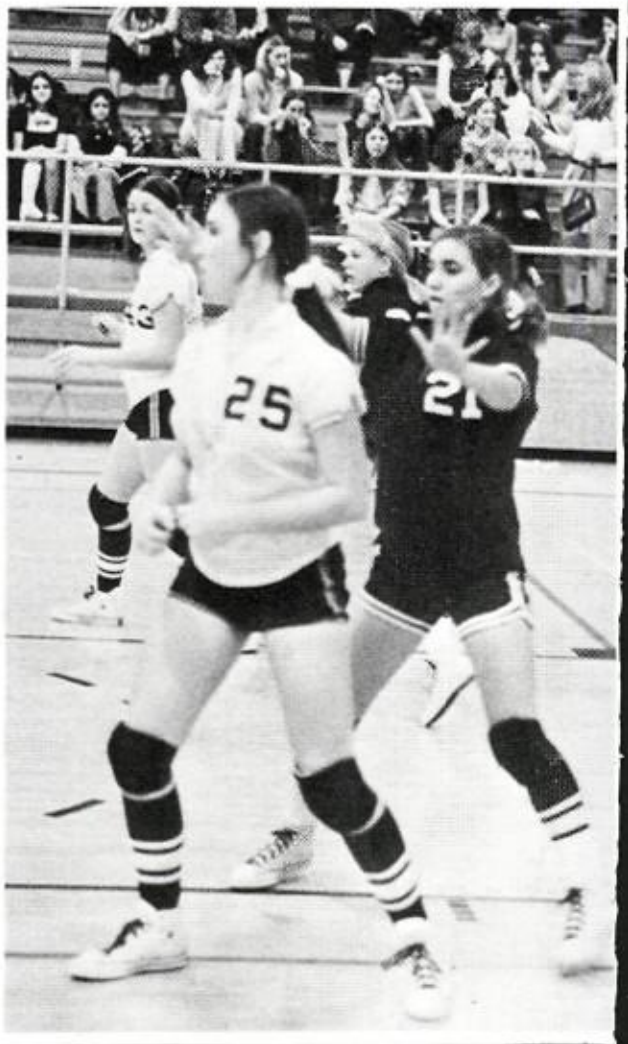
Freshman coach Bill Branum huddles with his team at the bench. The reserve forces watch the game from the sidelines. Working the baseline Mat Boyd (32) makes more for the basket. Paul Voss (44) concentrates on the basket as he draws a bead (top left panel).





Headache! Balls fly as the frosh go through their pre-game warm up (above). Joe Tolbert (44) controls the tip for the freshmen (left).





Sharon Werner puts up a one handed jumper against Plano (center left) while Diane Bernard (21) keeps position on defense (center right). Farmerette Basketball

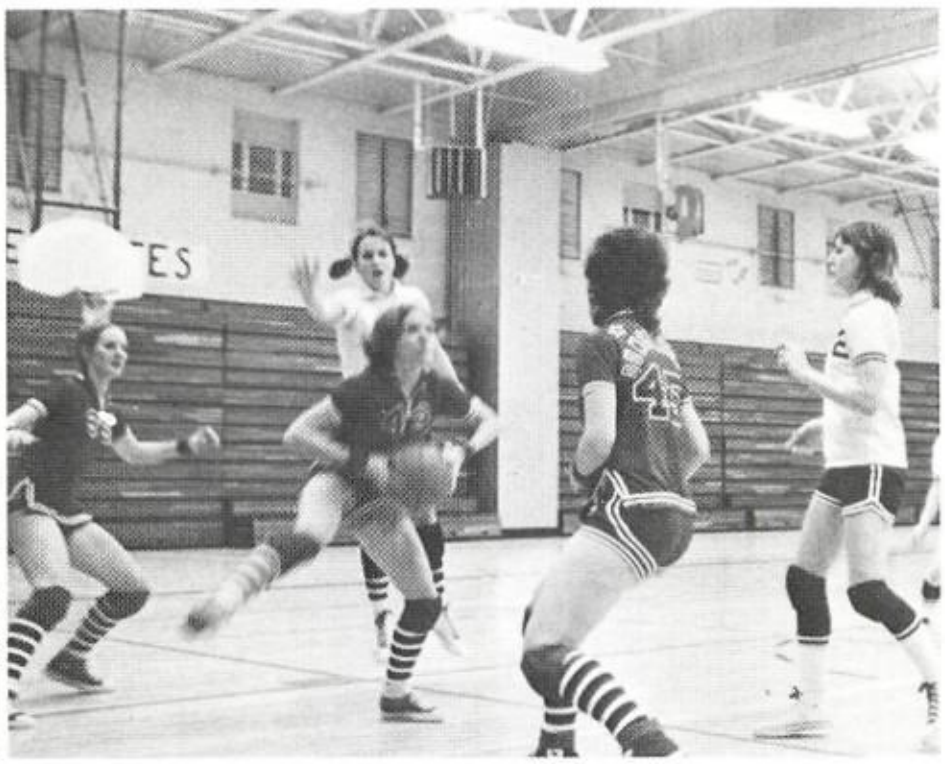
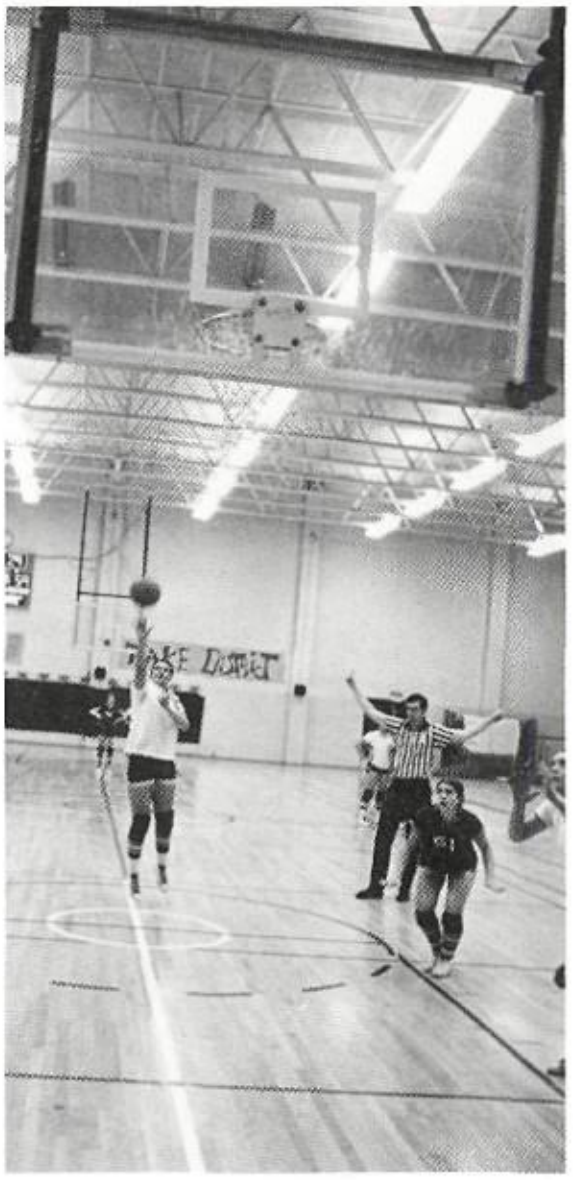
This was the year the close ones kept getting away from Coach Peggy Tate's girls. Although dissatisfied with their 6-18 record, the Farmerettes were an enthusiastic, competition team throughout the season and are sure they will improve their mark in 1974.

Barbara Silk (23) rebounds as Faye Fregia (32) and Pam Wallace (40) lend a hand (top left). Coach Tate talks with the girls during time out (lower left). Forward Sharon Werner tries to distract a Duncanville guard as Faye gets ready to defend (lower right).



Girls' Junior Varsity



With a 9-8 record, the Farmerette JV enjoyed a winning percentage for the year. These girls hope to take their competitive record to the varsity in '74.

Taking a free one from the line, Roberta Werner takes a foul shot (top right). Mary Pruitt grabs the ball as Debra Dunn (24) and Linda Henry stand by to help (lower right). Straining to win, hurdler Mark Medtker, sprinter Paul Rice, long jumper Danny Tolliver and half miler James Merritt gather points for Lewisville (top right panel). Richie Oliver and Jim Vittrup round the curve on the half (left).

Takin' it easy, Freshman class officers Shawn Wood (Pres.), Gary Kerbow (Vice-Pres.), Kelly Coker (Sec.), and Kathleen Albritton (Treas.) lounge around (top left). Hot dog! Big Mike Nichols has at least one fan as Linda Moody tells it like it is (top right). Things were looking up their Freshman year as Bo Stewart and Susan Moore were chosen class favorites (left).

When the last day is here and the faces are gone, all that's left is a building. Because people are LHS — not the walls and halls that remain — the 72-73 Farmer staff has tried to give just a little more attention to all kinds of people. Capturing a year in pictures and words is impossible but we hope we have taken this year in and given back a book *which is closer to the everyday person.*

Mrs Hanley
Out of all the teachers
I've ever had, perhaps I
will have the fondest & most
memories of you. Don't ever
change and others will feel the same
way. And don't let anybody get you
down. OK? In a way I guess I'm glad the
counselor wouldn't let me out. Remember keep
faith in yourself and stay happy. Be good. God bless
and God Bless ya,

Love ya,

Mrs. Stanley:

Thanks for being a good

helping me. Please don't forget
me when I come back. I hope you

Well can you belive it? It's all over. I really can't. It's really sad, I'm going to miss it all so much. You really a very sweet person. I've enjoyed this class so much. You a great teacher. I've really learned alot, and I think everyone else has. I'll be back next year coming to you and saying "Mrs Stanley HELP. Really I'll come see you. Well I really hate to leave all of this secure I'll be so scared next year, but I guess its a part of growing up. I'll miss you always remember the

To the cutest and sweetest teach in the school... Its been alot of fun this yar being in your class. You really don't look or act like a teacher at all. You've helped me alot but not just in English. I might talk alot but I really have taken in every thing you've said you need to be an English II teacher so I can have you next year. For being the youngest teacher you're the best. I think calm down is your favorite sayin but its you. You've been a great friend also. I hope we always stay on the good side of each other because it means alot. Maybe I'll see ya this summer at the trailer park. Stay like ya are and don't try to grow by your shoes or any thing else. I know I don't have to wish you any good luck a beauty because you have it all. Its like a seed in a flower and each leaf represents some thing different. Love an one beauty on anothe etc... I know God will follow you everywhere. Dont worry. Take care of your self and be good.

Love and friends forever & always

Love.
